

## QUALIFICATION SYSTEM FOR THE BIRMINGHAM 2022 WORLD GAMES ARCHERY

Version: 2.0 | Published: 22 January 2021

### Field archery

*The Birmingham 2022 World Games will include an individual field archery competition for recurve and barebow archers.*

Category	Quota places
Recurve men	12
Recurve women	12
Barebow men	12
Barebow women	12
<b>Total</b>	<b>48</b>

#### Quota allocation (listed in order of precedence)

- One (1) place for the host country (United States of America).
- One (1) place for the 2018 World Archery Field Champion.
- Ten (10) places on the final ranking list at the 2021 World Qualification Event held at the 2021 European Field Championships.

A maximum of one (1) quota place will be awarded per country per category except for the places awarded to the host country and world champion, which are exempt from the maximum quota.

#### Quota reallocation

Any places that are returned will be reallocated on the final ranking list at the World Qualification Event held at the 2021 European Field Championships. In case this event will not be held, the places will be allocated based on the 2018 World Archery Field Championships.

### Target archery

*The Birmingham 2022 World Games will include individual and mixed team target archery competitions for compound archers.*

Category	Quota places
Compound women	26
Compound men	26
<b>Total</b>	<b>52</b>

#### Quota allocation (listed in order of precedence)

- Ten (10) on the final ranking list at the 2021 World Archery Championships in September 2021.
- Thirteen (13) places awarded at continental qualification tournaments (limited to top eight places in the final ranking).

- Three (3) at the European Archery Championships in 2021.
- Three (3) at an Asian qualification tournament in 2021.
- Three (3) at the Americas qualification tournament in Medellin in 2021.
- Two (2) at an African qualification tournament in 2021.
- Two (2) highest ranked archers of the World Ranking List from a member association of Oceania on the 31<sup>st</sup> December 2021
- One (1) place for the host country (United States of America).
- One (1) place for a para athlete from the host country (United States of America).
- One (1) place for the para athlete that wins the individual compound open competition at the Tokyo 2020 Paralympic Games held in 2021.

A maximum of two (2) quota places will be awarded per country per category except for the para places, which are exempt from the maximum quota.

A country qualifies a mixed team when that country has qualified at least one compound man and one compound woman.

### Quota reallocation

Places that cannot be allocated will be reallocated on the world ranking list as of 31 December 2021 independent of continent.

If the athlete that wins the compound open competition at the Tokyo 2020 Paralympic Games is from the United States of America then the place for the winner will be reallocated to the highest-ranked athlete in the Paralympics competition that is not from the United States of America.

Any places that are returned or unable to be allocated will be reallocated on the world ranking list as of 31 December 2021.
