The Fazza International Championships for People of Determination come this year and it carries a lot of innovation and renewal, and we know very well that there is a challenge in organizing these Championships in this exceptional year, in which the world is witnessing the pandemic of the Coronavirus disease (Covid-19). Our country only accepts to move forward, and because our wise leadership instilled innovation and challenge in us, we quote from them their inspiring words that motivate us to develop and

innovate. The directives of the sponsor of these championships, His Highness Sheikh / Hamdan bin Mohammed bin Rashid Al Maktoum, Crown Prince of Dubai and Chairman of the Dubai Executive Council, were clear to all of us since the first version of the need for development and innovation, as it was to support His Highness Sheikh Mansour bin Mohammed bin Rashid Al Maktoum, Chairman of the Dubai Sports Council. The positive impact on continuing to organize this year's series of Championships, despite the challenges. The Fazza Championships for People of Determination have become an icon of global Paralympic sports and the focus of attention for all teams that aspire to reach the world through the Dubai Gate. P.O. Box: 20990, DUBAI - UNITED ARAB EMIRATES

Email: fazza-loc@dcd.org.ae

THE UNITED ARAB EMIRATES:

UAE is consisting of seven emirates: Abu Dhabi, Dubai, Sharjah, Ras Al Khaimah, Ajman, Umm Al Quwain and Fujairah. Four-fifths of the UAE is desert but has contrasting landscapes—from the towering red dunes of the Liwa to the rich palm-filled Oasis of Al Ain, from the precipitous Hajjar Mountains to the more fertile stretches of its coastal PLAINS.

Though small (like the size of Scotland), the UAE has become an important player in regional and international affairs. In 1971, the late President Sheikh Zayed bin Sultan Al Nahyan unified the small, underdeveloped states into a federation—the only one in the Arab world. With his visionary leadership, oil wealth was used to develop the UAE into one of the world's most open and successful economies.

In 2004, His Highness Sheikh Khalifa bin Zayed Al Nahyan became the President and has since continued to strive towards an ambitious vision for the UAE.

DUBAI

Dubai is located on the Eastern coast of the Arabian Peninsula, in the south west corner of the Arabian Gulf. It is extremely well known for its warm hospitality and rich cultural heritage, and the Emirati people are welcoming and generous in their approach to visitors. With year-round sunshine, intriguing deserts, beautiful beaches, luxurious hotels and shopping malls, fascinating heritage attractions and a thriving business community, Dubai receives millions of leisure and business visitors each year from around the world.

The past few decades have witnessed incredible growth throughout all sectors of the Dubai economy. The emirate's government is constantly working to improve its commercial transparency and introduce dynamic regulations that aid the formation of small and medium enterprises. Dubai's economy is no longer reliant on oil, but is more diversified, relying heavily on trade, services and finance sectors. With its central geographic location between Asian and European markets, Dubai has worked hard to establish itself as an integral part of the global trade mechanism. Its central location has also allowed Dubai to become a popular and accessible tourist destination.
