|-------------------------------|--------------------------|
| ROLE | Head coach |
| DEPARTMENT | Sports |
| REPORTS TO | Sport manager |
| EMPLOYMENT RATE, PLACE | Full-time, Lausanne |
| SALARY | Available on application |
| STARTING DATE | Q1 2023 |

The head coach is responsible for planning, organising and delivering a range of archery activities and programmes for individuals and groups from beginner level to international standard, helping athletes and coaches develop to their full potential.

The head coach is also responsible for setting the teaching standard, style and methods used in the World Archery Excellence Centre, and educating the facility's team of coaches.

MAIN AREAS OF RESPONSIBILITY

- To teach archery skill and technique at recreational, competitive and elite levels.
- To monitor and enhance archers and coaches performances by providing guidance, encouragement and constructive feedback.
- To identify strengths and weaknesses in archer and coach training in the Centre and participate in any of its activities or programmes.
- To advise archers on a healthy and active sports lifestyle.
- To develop archery training programmes.
- To undertake administrative tasks related to the function.
- To assist in archery promotion and development projects in the Centre.

REQUIREMENTS

- Languages: Fluent in English or French; additional languages a benefit.
- Qualifications: Coaching certification issued by any member association of World Archery or accreditation as a World Archery coach trainer.
- Experience: Strong background in the sport, including as an elite coach and implementing performance plans, and working knowledge of archery competitions (athlete/coach).
- Experience: Working with adults, children and individuals with impairment.

- Ability to create a positive working atmosphere, foster good team spirit and set an example of continued professional improvement.
- Ability to comfortably work in a public environment on a daily basis.
