## 12 - 14 DEC 2025 – Rio de Janeiro BRA

version 1.2 (21/10/2025)

TO ALL World Archery Member Associations and archers  
Dear all,

As Chair of the Local Organising Committee (LOC) of the Rio Indoor 250 to be held in Rio de Janeiro, Brazil on 12 December 2025, I would like to invite you all to be part of one of the most important archery events to take place in the South America/Brazil in 2025.

Rio de Janeiro has long been a stage for athletic excellence, and its legacy continues to evolve with each new event. Known for its breathtaking scenery and vibrant culture, the city also boasts a robust infrastructure for hosting elite competitions. Barra da Tijuca, in particular, has emerged as a hub for high-performance sports, with modern venues and a dynamic atmosphere that reflect Rio's commitment to innovation and inclusion in athletics.

Arena 3, located in the heart of Barra, exemplifies this spirit. Originally built for the 2016 Olympic Games, the venue now serves as a versatile space for indoor sports, offering athletes and spectators a world-class experience. Its design prioritizes precision, comfort, and accessibility—qualities that align perfectly with the discipline of archery. The controlled indoor environment ensures optimal conditions for competition, allowing archers to focus fully on their craft.

The Rio Indoor 250 brings archery into this iconic setting, blending tradition with modernity. As arrows fly within Arena 3's sleek architecture, the event highlights the elegance and intensity of the sport. It also reinforces Rio's role as a city that embraces both spectacle and subtlety—where the roar of a football match and the silence of a drawn bow are equally celebrated. This tournament is not just about scores; it's about honoring concentration, control, and the pursuit of excellence.

By hosting the Rio Indoor 250, Rio de Janeiro reaffirms its vocation as a global sports capital. The event invites athletes and fans to experience a different rhythm of competition—one that values precision as much as passion. In the heart of Barra da Tijuca, Arena 3 becomes more than a venue; it becomes a symbol of Rio's enduring dedication to sport, and a testament to the city's ability to adapt, inspire, and lead.

Sincerely yours,

**João Cruz**
