Clean sport

Athlete resources

Member associations are encouraged to share [International Testing Agency resources](#) with athletes and support personnel, including guidance on medications, supplements, Therapeutic Use Exemptions (TUEs), testing procedures and reporting mechanisms to support clean sport education.

Education webinar

World Archery, in collaboration with the International Testing Agency, will host a **clean sport education webinar** featuring coaches committee chair **Goktug Ergin** on **18 June** from 14h00 to 15h00 CEST. The session will provide an overview of anti-doping education and responsibilities within the anti-doping system.

Member associations are encouraged to share this opportunity with coaches and relevant stakeholders. [Registration](#) is in English with automated translated captions available.

Contact: cdragani@archery.sport

Online series

The International Testing Agency will host a **three-part series of webinars** on clean sport education from **22 April to 6 May** at 14h00 CEST, covering introduction to anti-doping, the Prohibited List and TUEs, and testing procedures. [Registration](#) is in English with interpretation available in multiple languages. Participants completing the series receive a certificate.

Education

Dakar 2026

Pre-Games **e-learning courses for young athletes and entourage members** preparing for the Dakar 2026 Youth Olympic Games are now available on Athlete365 in multiple languages. The courses cover mental health, safeguarding, prevention of competition manipulation and anti-doping.

Member associations are encouraged to share these resources with their members and young athletes.
