

Volunteers Program Paris 2024

World Archery Congress 2025

Paris 2024 – Volunteers program

Sport Specific Volunteers : 70 per shift for a total of 155 (OG/PG)

1. Recruitment

- Rely on organizations where you will find volunteers with a sporting culture (federation, local clubs)

2. Training

- Bring your volunteers together in advance to explain their mission and the challenges of the competition, and keep them regularly informed

3. Empowerment

- Leverage your most experienced volunteers to train and empower others, ensuring they operate within the scope of their responsibilities

4. Recognition

- Keep in mind that passion is their main driving force and that to maintain it, you need to take care of them over the long term

5. Supervision

- Clearly identify the contact person who will be able to answer their questions before and during the competition.
