Minutes of the XXist International Congress, Oslo, 1961

PART I

At the Bislet Tournament Ground Building, on the 9th August, 1961.

I Opening of Congress

At the call-over of names, the following authorized representatives answered:

BELGIUM: M. Paul Prieels
CZECHOSLOVAKIA: M. Jiri Bastár
DENMARK: Mr. C. O. Vaaben-Hansen
FINLAND: Mr. Väinö Ansala
FRANCE: M. J. Drouot-l'Hermine
GERMANY: Mr. Konrad Aichemüller
GREAT BRITAIN: Mrs. Inger Frith
HOLLAND: Mr. F. Spoor
HUNGARY: Dr. J. Tamás Dénes
JAPAN: Mr. Kiyonori Kaneko
NORWAY: Mr. Egil Bruno Larsen
POLAND: M. Jerzy Pittner
SOUTH AFRICA: Mr. J. L. Jacobs
SPAIN: M. Enjuto
SWEDEN: Mr. Tomas Bolle
SWITZERLAND: Mr. P. A. Habegger
U.S.A.: Mr. Clayton Shenk

EASTERN GERMANY had sent Mr. Karl-Heinz Lehman as an Observer

M. Oscar Kessels, President, and Mr. Lars Ekegren, General Secretary, were also present, as well as other Members of the Administrative Council.

The General Secretary explained the reasons why the Congress papers had been distributed too late according to the F.I.T.A. Constitution. Among other things, some of the Committees had been very late. Still he thought that it would be unwise to postpone such important questions to a future Congress.

The President then asked Congress if the 1961 Session could take place, in spite of the late distribution of Congress papers, after the explanation just given by the General Secretary. The answer was yes.

M. Kessels then opened the Session of the XXist International Congress.

II Qualification for competing in the World Championship Tournament of 1961

In the absence of the Treasurer, Mr. Torsten Fahlman, the General Secretary reported that all National Archery Associations present were in good standing and had paid their Annual Fees. Congress accepted this explanation and decided that all Nations present were entitled to compete in the World Championship Tournament of 1961.

III Affiliation of new National Archery Associations

The General Secretary reported that the National Archery Associations of Eastern Germany, Italy and Northern Korea had formally asked for affiliation, and that all conditions had been fulfilled.

Great Britain and Norway asked for voting by secret ballot. Such voting took place.

All these Associations became Members, Eastern Germany by 11 votes to 6, Italy by 17 votes and Northern Korea by 14 votes to 3.

M. Kessels congratulated the three New Members, and addressed himself specially to the present Observer from Eastern Germany, who expressed his gratitude on behalf of his Association.

IV Report on the World Championship Tournament of 1961

Mr. Arild Honne, President of the Organising Committee, reported on the Tournament Programme. From the Team Captains' Meeting the same morning it was reported that the following Commission Technique had been elected for the Tournament:

Mr. Robert Neerbye, Norway, President. Mr. Jiri Bastár, Czechoslovakia and Mr. Clayton Shenk, U.S.A.

M. Kessels expressed his gratitude to Mr. Honne and his Organising Committee for the work they had done.

Secretary of the Meeting: Mr. Lars Ekegren.

PART II

At the Hotel Viking, on the 14th August, 1961.

V Opening of Congress

At the call-over of names, the following representatives answered:

BELGIUM: M. Paul Prieels
CZECHOSLOVAKIA: Mr. Jiri Bastár
DENMARK: Mr. C. O. Vaaben-Hansen
EASTERN GERMANY: Mr. Karl-Heinz Lehman
FINLAND: Mr. Väinö Ansala
FRANCE: M. J. Drouot-l'Hermine
GREAT BRITAIN: Mrs. Inger Frith
HOLLAND: Mr. F. Spoor
HUNGARY: Dr. J. Tamás Dénes
JAPAN: Mr. Kiyonori Kaneko
NORWAY: Mr. Egil Bruno Larsen
POLAND: M. Jerzy Pittner
SOUTH AFRICA: Mr. J. L. Jacobs
SPAIN: M. Enjuto
SWEDEN: Mr. Tomas Bolle
SWITZERLAND: Mr. P. A. Habegger
U.S.A.: Mr. Clayton Shenk
WESTERN GERMANY: Mr. Konrad Aichemüller

The President, the General Secretary and the Treasurer were also present, as well as some Members of the Administrative Council.

The President opened the Meeting and welcomed especially Mr. Fahlman, who had not taken part in the first part of the Congress. He also welcomed Mr. Lehmann, taking part in a Congress Meeting for the first time.

VI Minutes of the F.I.T.A. Congress of 1959

The General Secretary reported that these Minutes had been distributed, and that they had been printed in the Bulletin Officiel No. 18, which had also been distributed.

The Second sentence under XI, was changed as follows:

Congress decided that the Committee shall carry on. In the future all Congress Motions shall be sent to that Committee in order to get the Committee's opinion before the Congress decisions.

It was also decided that the Report of the Commission Technique should be printed in the next issue of the Bulletin. Speaking of the Bulletin, Mrs. Frith had found three mistakes in the list of scores from the Stockholm Tournament. If they were printing errors they should be corrected in the next Bulletin.

The Minutes of the F.I.T.A. Congress of 1959 was unanimously accepted with the change mentioned above, and M. Kessels expressed his gratitude to Mr. Ekegren.

VII Report of the President

The General Secretary reported that this Report had been circulated as well. M. Kessels made a verbal amendment, speaking of his and Mr. Ekegren's Olympic efforts in Athens. The Report was unanimously accepted.

VIII Financial Report

The Financial Report had also been circulated beforehand. It was unanimously accepted, and M. Kessels expressed his gratitude to Mr. Fahlman.

In the future, the Treasurer shall bring the books to the Congress Meetings, in case there should be any details to ask about.

As to the countries which had not paid their Annual Fees, India and Mexico were excluded from F.I.T.A. They may both become Members again if the Annual Fee and all arrears are paid.

IX Report of the Commission Technique

Mr. Neerbye read the Report of the Commission Technique, which was unanimously accepted. M. Kessels expressed his gratitude to the C.T.

X Elections

(a) The F.I.T.A. President, 1961-1965

Before voting when secret ballot took place, M. Kessels presented the two candidates, Mrs. Inger Frith, Great Britain, and Lars Ekegren, Sweden.

Voting took place. Mrs. Frith won by 11 votes to 7. She was congratulated by M. Kessels and Mr. Ekegren.

(b) The General Secretary, 1961-1965, and the Treasurer, 1961-1965

Mrs. Frith nominated Messrs. C. Morgan and H. G.

Baldwin, Great Britain, as General Secretary and Treasurer of F.I.T.A. respectively. If Mr. Morgan should be unable to accept, because of personal reasons, Mrs. Frith would try to find another General Secretary.

Congress accepted these nominations for its Executive Committee, and Messrs. Morgan and Baldwin were elected for the period of 1961-1965.

(c) *Two Vice-Presidents*

As a consequence of the election of Mrs. Frith to F.I.T.A. President, two Vice-Presidents had to be elected, one for the period of 1961-1965, and one for the period 1961-1963.

There were three candidates: M. Ansala, Finland, M. Filip, Poland, and Mr. Vaaben-Hansen, Denmark.

Result of the secret ballot election:

Vice-President 1961-1965: M. Filip, Poland.

Vice-President 1961-1963: Mr. Ansala, Finland.

(d) *Four other Members of the Administrative Council, for the period of 1961-1965*

The General Secretary explained that a mistake had been made at the Stockholm Congress in 1959. It had not been observed that time was out for Mr. Parker, South Africa. He therefore wrongly appeared in the address list of Bulletin Officiel No. 18. Because of this fact, and because of vacancies after the previous elections, four other Members of the Administrative Council had now to be elected, for the period of 1961-1965.

Result of the secret ballot election:
Members 1961-1965:

M. Prieels, Belgium

Mr. Vaaben-Hansen, Denmark

Mr. Spoor, Holland

Mr. Parker, South Africa

XI Motions

(a) *Sweden: M. Oscar Kessels, Honorary President for life-time*

Unanimously accepted with long applause. Mr. Kessels expressed his deep gratitude and declared that his heart would always be among the archers.

(b) *Belgium and Czechoslovakia: International Judges*

The general thought to train and authorize international archery judges was unanimously accepted. A detailed suggestion should be presented at the 1963 Congress.

(c) *Poland: Junior World Championships*

Mr. Ekegren suggested a change from Junior World Championships to Junior Mail-Matches. Poland accepted the change, after which the Motion was unanimously accepted. Form of competition: Ladies FITA Round (70, 60, 50 and 30m). No competitor to be more than 17 years old. F.I.T.A. Mail Match Rules otherwise to apply.

(d) *International Field Archery Committee: New International Field Archery Rules*

Mr. Ekegren gave the background of the international field archery situation, and was supported by Mr. Shenk when he asked Congress to accept the new Rules, worked out by the International Field Archery Committee.

The Rules had been circulated, and they were not commented on by the Chairman of the Committee, Mr. Håkan Blechingberg, Sweden.

After some discussion the new Rules were unanimously accepted.

(e) *Constitution and Rules Committee: Shortening of Shooting time*

Congress decided that no change of the shooting rules should be made. But future Commission Techniques should be instructed to regard 2½ minutes to be the maximum time for an archer to shoot his or her three arrows.

Should this time limit be passed, the archer should be warned by the C.T. And should it be repeated, the C.T. could decide to deprive the archer of the score of the arrows shot too late.

(f) *Constitution and Rules Committee: Television Rights Proposal:*

Whenever a Tournament is covered by Television, and a fee paid, the Organisers benefit wholly. Unanimously accepted.

(g) *Constitution and Rules Committee: Black Target Centres*

Committee found it undesirable and unnecessary, without any further comments. Congress agreed with the Committee.

Mr. Ekegren found the American suggestion about a black target centre (the "ten" in a 10-ringed target) interesting and asked the Associations present to test it and study the difference, if any.

(h) *President: Decentralisation of the F.I.T.A. activities on Special Committees*

Mr. Ekegren explained the background. The Federation is growing rapidly. It is not only the increasing number of Associations which makes problems for the few voluntary persons in the top of the Federation—new time-absorbing duties were coming up all the time. He pointed specially at the co-operation with the National and International Olympic Committees and the International Sports Federations. In M. Kessels' and his own opinion a decentralisation now of the F.I.T.A. activities on Special Committees would mean a good insurance if anything happened to the Members of the Executive Committee, as well as an increase of the efficiency in general. The Administrative Council should not be Representative only, but a working Board, where everybody is responsible for one part of the activities. Such a decentralisation had been tested with very good results in many countries, among them Sweden, where the number of archers as well as the number of clubs had increased very fast.

Congress did not find such a change necessary for the moment. If necessary, Committees could be formed within the present organisation.

(i) *Belgium and Sweden: Suggestions for F.I.T.A. Plaquettes*

SWEDEN had suggested: *Gilt* F.I.T.A. Plaquette for International Merits to Mrs. Inger Frith, Great Britain, and to Mr. Torsten Fahlman, Sweden. A *Silver* Plaquette to Mr. Håkan Blechingberg, Sweden, and *Bronze* Plaquettes to Miss Mausi Evans and Mr. Carl-Roland Martin, Sweden.

BELGIUM had suggested *Silver* Plaquettes to Mr. A. L. Medaer and M. Gaston Simon, Belgium.

All suggestions were unanimously accepted.

XII The World Championship Tournaments of 1963 and 1965

Congress accepted Great Britain as arranger of the 1963 Tournament.

U.S.A. and South Africa asked for the 1965 Tournament.

Both countries declared that visas should be given to Members of all National Associations affiliated to F.I.T.A.

Voting took place. U.S.A. won.

XIII Olympic Report

With reference to M. Kessels' previous Report, Mr. Ekegren reported on the present Olympic situation.

He recommended the Federation to concentrate on the following lines:

(a) The F.I.T.A. Executive Committee should keep in close personal contact with the Members of the Executive Committee of the International Olympic Committee, in order to know when and how to act.

Mr. Ekegren had done so since 1949, with some very good results.

(b) The F.I.T.A. Executive Committee should also keep in close personal contact with future organisers of Olympic Games. In Athens this year Mr. Ekegren had had a conference with the Russian delegates. They had then promised that if Moscow was chosen to arrange the 1968 Olympic Games, Archery should be included for men and women, in accordance with the programme suggested for the Tokyo Games.

(c) Furthermore, the F.I.T.A. Executive Committee should keep in close personal contact with the International Sports Federations, and try to make them organise a Committee for Olympic Questions. After his speech on Archery in Athens, Mr. Ekegren had received the support of all the 22 International Sports Federations present. A resolution was worked out, but nobody was authorised to put strength behind it. If a Committee can be formed, and if its Chairman gets full authorisation in Olympic matters of general nature, the International Sports Federations will be fully respected by the International Olympic Committee. The International Sports Federations are not

depending on the I.O.C., but the I.O.C. can arrange no Olympic Games without the assistance and co-operation of the International Sports Federations.

- (d) Finally, it was most important that all National Archery Associations keep in close personal contact with their respective National Olympic Committees, as well as with their National Members of the International Olympic Committee. The National Olympic Committees are I.O.C.'s local contacts with the Olympic Sports, but they have no vote at the I.O.C. Sessions. All voting is done by the personal Members of the I.O.C. At the Athens Session far too many I.O.C. Members from great Archery countries had voted against our sport. In such a situation Mr. Bo Ekelund's and his friends' efforts could give no positive result.

After this speech Mrs. Frith suggested that a special Olympic Secretary should be elected, and suggested Mr. Oscar Kessels. He accepted and was unanimously elected.

XIV New World Championship Tournament Records

The following new World Championship Tournament Records, reached at the Oslo Tournament in 1961, were recognised by Congress:

Ladies:

70 m	B. Deptova, Czechoslovakia	510 p
50 m	N. Vonderheide, U.S.A.	530 p
30 m	J. Heywood, Great Britain	623 p
Total	N. Vonderheide, U.S.A.	2,173 p

Team, Ladies: U.S.A. (Vonderheide, Frye, Cook) 6,376 p
Gentlemen:

90 m	J. Thornton, U.S.A.	509 p
50 m	J. Thornton, U.S.A.	591 p
30 m	C. Sherman, U.S.A.	661 p
Total	J. Thornton, U.S.A.	2,310 p

XV A F.I.T.A. Jubilee Plaque

F.I.T.A. was established in 1931, and therefore a 30 years jubilee could be celebrated in 1961. A suggestion for a special F.I.T.A. Jubilee Plaque had been worked out and was shown to Congress, but Congress decided not to celebrate this jubilee.

XVI The Annual Fee

Congress decided the Annual Fee to be £16.

XVII Sundry Questions

Mr. Honne: Asked the delegates to study the possibilities to form a stronger amateur rule. Mr. Ekegren warned for such an extra rule—the National Amateur Rules, accepted by I.O.C., should be enough.

Mr. Ansala: Wanted to increase the score limits for the F.I.T.A. Star Badge. Not accepted.

Mr. Honne: Could the Annual Fees be differentiated? Each Member Association should then pay according to its size. This question should be studied.

Mr. Bolle: In order to save time, two archers could shoot at the same target at the same time. This had been practised and had given good results. This question should be studied.

Finally, M. Kessels expressed his gratitude to Messrs. Ekegren and Fahlman for the time they had spent together in the Executive Committee, after which Mrs. Frith expressed her gratitude to M. Kessels. The newly elected President thanked Congress for the honour of her election and further thanked the retiring President warmly.

Secretary of the Meeting: Mr. Lars Ekegren.

TO Helsinki in Finland at the end of July, 1963 came archers from all around the world. The Tournament itself took place from the 24th to the 27th of July, but during the days in advance, this truly international company began to assemble from more countries than had ever attended a World Championship before—from all five Continents.

This was a splendid effort that must have given the organisers, the Finnish Archery Association, great satisfaction, for it must be admitted that Helsinki is far to the north of the world, which meant many thousands of miles travelling for some.

It should be recorded that competitors came from the following eighteen countries:

Belgium	Hungary
Canada	Japan
Czechoslovakia	New Zealand
Finland	Norway
France	Poland
Germany, East	South Africa
Germany, West	Sweden
Great Britain	Switzerland
Holland	U.S.A.

For the first time archers came from Canada, Germany (East), and New Zealand to take part.

In addition to these, delegates attended the Congress meetings from Denmark and Spain, Italy and Luxembourg were represented by proxy, and an observer from the Philippines, in mid-Pacific, was also present. To have representatives from twenty-two out of thirty-one member countries present was very satisfactory.

The majority of the archers and officials were accommodated at the Students Village, at Otaniemi, a few kilometres from the city. Everyone seemed very happy and comfortable in the pleasant wooded surroundings at the edge of a lake. The reception at the City Hall on the eve of the Tournament was the first occasion on which all the competitors and officials had assembled together. After a welcome to the City, to which our President replied, the room was filled with chatter and laughter as old acquaintances were renewed and new ones made.

The shooting ground was at the Pallokenttä which adjoined the Olympic Stadium in the shadow of the high tower that is an outstanding feature of this arena. As usual the ceremonial opening of the championships was most impressive, with the contingents from each member association marching on to the ground behind their national flag. As the President declared the

Tournament open, Honorary President Oscar Kessels, hoisted for the first time, the new F.I.T.A. flag, to the accompaniment of a fanfare played by trumpeters of the Finnish Army. This flag flew alongside those of all competing nations during the four days, the whole making a very colourful display.

Altogether, thirty-eight ladies and seventy-five gentlemen took part. The youngest competitors on this occasion were members of the American team; Deborah Clark, aged 15, and David Keaggy Junior, who was 16 a day or so before the tournament. The future looks bright for these two youngsters, who shot so very well under the trying conditions of a World Championship. Debbie finished in eleventh place and David was third, after holding second place for much of the four days.

During the Tournament the organisers produced hundreds of duplicated sheets that were distributed to all competitors and officials, giving every archer's score for each distance as well as cumulative totals. A very efficient team of typists had been provided by the organisers to provide this service. The public address

system was kept busy between ends making announcements, giving leading archers and their scores, music, and from time to time the playing of a fanfare. Many people commented about this, and for the information of those who do not know, this most tuneful piece was composed by one of our vice-presidents, Mr. Jiri Bastar of Czechoslovakia, especially for F.I.T.A. (See the announcement on Page 29).

Although there was a little rain early on two mornings, this did not interfere with the shooting, and the weather was very good for the four days. After a cloudy afternoon on the last day, the sun shone brilliantly when the time came to acclaim the champions of the world and the champion teams. This ceremony is impressive and dignified, as it should be. The playing of the national anthems and the raising of the national flags of the winners must make them feel very proud as they stand on the rostrum. It was a nice gesture of the organisers to present carnations to all the individuals and teams prior to them being presented with their medals by the F.I.T.A. President, Mrs. Inger Frith, who was assisted in this duty by the President of the Finnish Archery Association, Major General Veikko Koppinen.

As the Tournament was declared closed our flag was lowered, and the F.I.T.A. fanfare was played for the last time.

The Challenge Trophies and many other prizes provided by the Finnish Archery Association were presented at the banquet, which took place on Sunday evening, 28th July.

This particular tournament may well be remembered as the one when ten out of twelve world championship records were broken. In fact the old record scores were exceeded on twenty occasions. Only two records were not broken—the second distance for both ladies and gentlemen. The current records have stood for six years.

How pleasant to see sportsmen and women of so many countries taking part in such a friendly competition, good fellowship between one and another being evident all the time. What a pity politics have to cut sometimes into the field of sports, for surely there could be no better ambassadors of goodwill than sportsmen and sportswomen.

We must not conclude without saying "thank you" to the Finnish Archery Association for their efforts in making the many and varied preparations that go to make up a world championship tournament, particularly as they had less than half the usual time to make their plans. No criticisms were heard of the austerity tournament without the usual frills.

Members of the Administrative Council at the presentation of medals. L. to R. Mr. Oscar Kessels, Mr. T. Bolle, Mr. A. R. Harvey, Mr. K. Filip and Mr. C. B. Shenk.

26. Any other business.
Questions rising from the Congress.
Matters not covered by the Agenda that Delegates wish to raise should be handed to the Secretary (*in writing*) prior to Congress, Part 2.
27. TO CLOSE THIS CONGRESS MEETING.

MINUTES

PART 1

At the Congress House, Otaniemi, Tuesday, 23rd July at 10.00 hours.

In the Chair: The President, Mrs. I. K. Frith.

I Opening of Congress

The President referred to the loss sustained by the death of three well-known archers — Mr. C. W. Nettleton; Mr. H. Kjellson and Mr. C. O. Vaaban-Hansen. The Members stood in respectful silence.

Also that this was the first occasion on which all five continents had sent representatives to the World Championships, both Canada and New Zealand being present for the first time.

The President requested the Secretary to call the Roll of Member Associations.

Those present were:

LE PROCES-VERBAL

PREMIERE PARTIE

A la Maison de Congrès, Otaniemi, mardi, le 23 juillet, à 10.00 heures.

Dans le fauteuil: La Présidente, Madame I. K. Frith.

I L'inauguration du Congrès.

La Présidente fit mention de la perte soufferte par la mort de trois archers bien connus — Mr. C. W. Nettleton, Mr. H. Kjellson et Mr. C. O. Vaaban-Hansen. Les membres se tinrent debout pour un moment de silence respectueux.

Aussi fit-elle mention du fait que c'était la première fois que tous les cinq continents avaient envoyé un représentant au Championnat du Monde. Pour la première fois le Canada et la Nouvelle Zélande étaient représentées.

La Présidente demanda au secrétaire de faire l'appel des sociétés représentées.

Ceux qui assistaient étaient:

Le Président Honoraire...	Mr. Oscar Kessels
Les délégués avec le droit de voter:	
La Belgique	Mr. P. Prieels
La Tchécoslovaquie	Mr. J. Bastar
Le Danemark	Mr. V. Larsen

La Suisse	Mr. R. Walther
Les Etats-Unis	Mr. C. B. Shenk

Autres Délégués:

La France	Mr. D. l'Hermine
L'Allemagne (de l'est)	Mr. A. Heil
L'Italie	Baron Cavalchini
La Norvège	Mr. A. Hoff Berge

Spain Mr. M. Soto
Sweden Mr. K. Bengtsson,
Mr. L. Ekegren
U.S.A. Mr. G. C. Helwig

Members of the Administrative Council:

Mr. V. Ansala, Mr. J. Bastar, Mr. K. Filip (Vice-Presidents). Mr. T. Bolle, Mr. A. Honne, Mr. P. Prieels, Mr. F. Spoor.
Mr. A. R. Harvey (General Secretary).

II Apologies for Absence

The Secretary presented apologies from the Treasurer.

III President's Opening Remarks

Madam President reported that she had recently been entertained for four days by Germany East. She thanked the representatives present from that Association for the hospitality extended to her.

Madam President also referred to the apparent misunderstanding in procedure insofar as a Member Association had circulated other members, some of whom replied and others not. She drew attention to the correct procedure; the Executive Committee dealt with day-to-day business; anything special is referred to the Administrative Council and if the Member Association was not satisfied a special meeting of the Council could be called between Congresses.

On behalf of F.I.T.A. she thanked Finland for organising the World Championships when Great Britain had to withdraw for reasons beyond their control.

IV Approval of Minutes

In view of certain objections made by Norway to the Minutes circulated after the XXIst Congress, each item was taken separately. The Minutes were amended in certain cases and the approved version will be filed in the Minute Book as well as being circulated.

V Matters Arising from the Minutes

There were none.

VI One of the Motions

The President, with Congress's approval, next took Item 15(3) on the agenda and proposed that this matter be left on the table. Agreed.

VII Confirmation of Secretary's Appointment

Congress approved the Administrative Council's appointment of Mr. A. R. Harvey. The Secretary thanked Congress for the confirmation and assured them that he would carry out the duties to the best of his ability.

VIII President's Report

(Appendix A)

The Report, as circulated, was presented for approval. The President then reported that the delegates at the Oslo Congress had decided to recognise the service to F.I.T.A. of the then retiring Executive Committee (Mr. O. Kessels, President; Mr. L. Ekegren, General Secretary; Mr. T. Fahlman, Treasurer) by subscribing towards a F.I.T.A. flag to fly at all future World Championships. This was shown for the first time amidst much applause.

Mr. Ekegren thanked Congress for this expression of gratitude and hoped that the flag would fly at many happy Championships.

The President also stated that in memory of Mr. Kjellson and Mr. Nettleton, F.I.T.A. had been presented with a Minute Book and Gavel respectively, both suitably inscribed. The gifts were displayed and accepted by Congress with loud applause.

In referring to the last item in her Report, the President hoped that Finland would start the collection of archives by presenting a set of all matters issued in connection with the Helsinki Championships.

The Report, having been proposed and seconded, was approved.

IX Treasurer's Report and Financial Statement

Due to an omission in the duplicated accounts, as circulated, a new copy was handed to every Delegate.

The Report and Accounts, being duly proposed and seconded, were approved.

X Report on the XXIIInd World Championships (Appendix C)

A report was given verbally by Mr. V. Ansala.

The President thanked Mr. Ansala for his report and apologised on behalf of the guilty Member Associations who had failed to send in details of their entry and teams by the correct dates as laid down in the Constitution.

Mr. Ekegren hoped that particular emphasis would be given to this matter to avoid its recurrence in the future.

L'Espagne Mr. M. Soto
La Suède Mr. K. Bengtsson
Mr. L. Ekegren
Les Etats-Unis Mr. G. C. Helwig

Membres du Conseil d'Administration:

Mr. V. Ansala, Mr. J. Bastar, Mr. K. Filip (Vice-Présidents). Mr. T. Bolle, Mr. A. Honne, Mr. P. Prieels, Mr. F. Spoor.
Mr. A. R. Harvey (Secrétaire Général).

II Excuses pour l'absence.

Le Secrétaire présenta les excuses du Trésorier.

III Les Avant-Propos de la Présidente.

Madame la Présidente rapporta que pendant quatre jours elle avait été fêtée dans l'Allemagne de l'est. Elle voulait remercier les représentants de ce pays-là pour l'hospitalité qu'elle y avait reçue.

Madame la Présidente fit mention aussi à un malentendu dans les règles de procédure. Une Association avait envoyé des circulaires à d'autres. Quelques-unes avaient répondu, mais non pas les autres. Elle appela l'attention des assistants sur la bonne méthode.

Le Comité Exécutif s'occupe des affaires ordinaires. Tout ce qui est hors de l'ordinaire se réfère au Conseil d'Administration, et si l'Association n'est pas satisfaite, on convoque une assemblée spéciale du Conseil, entre les Congrès.

Pour le F.I.T.A. elle remercia la Finlande pour avoir organisé le Championnat du Monde, quand la Grande-Bretagne devait s'en retirer pour des circonstances en dehors de leur action.

IV Approbation du Procès-Verbal.

A cause de certaines objections formulées par la Norvège contre le procès-verbal du XXI Congrès on prit chaque détail à part. On changea le procès-verbal en certains cas, et on va enfile le nouveau procès dans le registre, en dehors de le circuler.

V Les détails qui émanent du procès-verbal.

Il n'y en avait pas.

VI Une des propositions.

Puis, la Présidente, avec l'accord du Congrès, prit Item 15(3) de l'ordre, et proposa d'ajourner cette affaire. D'accord.

VII Confirmation de la nomination du Secrétaire.

Le Congrès approuva la nomination de Mr. A. R. Harvey par le Conseil d'Administration. Le Secrétaire remercia le Congrès pour la confirmation, et les rassura qu'il s'acquitterait de son devoir dans la mesure de ses moyens.

VIII Le Rapport de la Présidente.

(Appendix A).

Le rapport - celui circulé - était présenté pour approbation. Puis, la Présidente rapporta que les délégués du Congrès à Oslo avaient décidé de reconnaître les services à F.I.T.A. du Comité Exécutif qui se retirait en ce moment-là (Le Président - Mr. O. Kessels, le Secrétaire Général - Mr. L. Ekegren, le Trésorier - Mr. T. Fahlman). On avait acheté un drapeau F.I.T.A. qui serait flotté à tous les futurs Championnats du Monde. On le montra pour la première fois, avec l'approbation de tous ceux qui assistaient.

Mr. Ekegren remercia le Congrès pour ce témoignage de sa reconnaissance, et dit qu'il espérait que le drapeau flotterait pour beaucoup de Championnats agréables.

La Présidente dit aussi qu'on avait présenté à F.I.T.A., en commémoration des Messieurs Kjellson et Nettleton, un Registre des procès-verbaux et un Marteau - tous les deux portant une inscription convenable. On montra les cadeaux, et ils furent acceptés par le Congrès parmi beaucoup d'applaudissements.

En faisant mention du dernier article dans son rapport, la Présidente espérait que la Finlande commencerait la collection d'archives en présentant tout ce qui se rapportait à propos des Championnats à Helsinki.

Le rapport, présenté et appuyé, fut adopté.

IX Le Rapport et l'état de compte du Trésorier. (Appendix B).

A cause d'une omission dans les comptes reproduits qui furent circulés, on donna une nouvelle transcription à chaque délégué.

Le rapport et les comptes, présentés et appuyés, furent adoptés.

X Rapport sur le XXIIIème, Championnat du Monde (Appendix C)

Monsieur V. Ansala donna un rapport.

La Présidente remercia Mr. Ansala pour son rapport. Elle fit des excuses pour les Associations coupables qui n'avaient pas envoyé les détails de leur entrée et de leur équipe avant la date prescrite selon la Constitution.

Mr. Ekegren dit qu'il espérait qu'on donnerait plus d'emphasis à ce point, pour éviter une répétition dans le futur.

XI Report on Team Captains' Meeting (Appendix D)

This was given verbally by Mr. Sven Ingves.
The Technical Commission elected was as follows:
Mr. Sven Ingves, Chairman (Finland).
Mr. K. Bengtsson (Sweden).
Dr. G. R. Wotton (Great Britain).

Mr. Hoff Berge (Norway) had raised the question of stabilisers on bows and whether they would be permitted or not. A number of members spoke "for" and "against".

The Members finally agreed that stabilisers could be used in the current Championships but that the Rules and Regulations Committee would present a recommendation for consideration at the 1965 Congress.

XII Eligibility of Competing Member Associations

Three Associations present, and competing, who had not paid their subscriptions for 1963, made arrangements for this payment before the start of the Championships.

XIII Reports by the Rules and Regulations Committee

(Appendix E)

International Judges. The Committee's recommendation was accepted and a Committee would be set up during Congress (Part 2) Item 25.

The remainder of items in Reports No. 1 and No. 2 would be dealt with in relation to the subjects raised in the Motions.

XIV Field Archery Committee

The Committee regretted there was no report.

XV Motions

1. Amateur Rule. In making the proposal that a new Amateur Rule be adopted, the President stated that, if accepted, a proposed date for its introduction will be 1st January, 1964.

If Congress wished to adopt the new Olympic Rule (Eligibility Rules of the International Olympic Committee) in its entirety and add it to our present rule (Article 310(b)) instead of the proposed motion, then in future any changes by the I.O.C. would automatically apply to our Amateur Rule. This was accepted without further discussion and the proposal was carried *nem con.*

2. Tolerance of measurement on target faces. The proposal was carried (see Page 33 for addition to Article 701).
Mr. Shenk asked if it would be possible to standardise the colours on target faces throughout the world. It was pointed out that colour standards had been the subject of an article in a past issue of the Bulletin Officiel.
3. See Minute 6.
4. Future of the World Championships. This matter to be considered under Item 14 on the Agenda (I.O.C. Delegate's Report).
5. Honorary award to the I.O.C. President. It was agreed by Congress that a Gilt F.I.T.A. Plaque be awarded to the President of the International Olympic Committee, Mr. Avery Brundage.
6. Archers' Identification Labels. Congress accepted the principle that in future archers competing in World Championships should be issued with a name badge to be worn during the period of the Tournament for the better identification of each other.
7. Alterations to World Championship Tournament Regulations:—
 - (a) As a result of a hand vote that did not carry a two-thirds majority, it was agreed that the time limit of 2½ minutes per end of three arrows should remain as a recommendation to the Technical Commission.
 - (b) The motion that the shooting field should be an open field and not an arena was accepted in principle but that no rule be framed.
 - (c) Sweden withdrew this motion.
8. Age Limit for Junior Archers. As F.I.T.A. had no age limit for entries to World Championships, no change would be made to the Junior Mail Match age as approved at the 1961 Congress.
9. Appointment of Selection Committee. Congress accepted as satisfactory the issuing of voting papers a day or so in advance of the elections, as was being done this year.
10. Field Archery Committee. This would be dealt with under Item 25 of the Congress Part II Agenda.

XVI Award of Plaquettes

Congress, having endorsed the recommendation from South Africa that Silver Plaquettes be awarded to Mr. A. Honne and Mr. R. Hunter, the President made the presentation personally to Mr. Honne, and as Mr. Hunter was not present the South African delegate accepted the Plaquette on his behalf, amidst much appreciative applause.

XI Rapport sur la séance des Chefs d'Equipe (Appendix D).

Mr. Sven Ingves le donna.
On élut ainsi la commission technique:
Mr. Sven Ingves, Président (Finlande).
Mr. K. Bengtsson (Suède).
Dr. G. R. Wotton (Grande-Bretagne).

Mr. Hoff Berge (Norvège) avait mis en question le sujet d'avoir des stabilisateurs sur les arcs, et si on permettrait leur usage. Quelques membres étaient en faveur, et quelques autres contre ceci.

Enfin les membres décidèrent qu'on pourrait employer des stabilisateurs dans le Championnat en cours, mais que le comité de règles devrait présenter une recommandation pour la considération de cette affaire dans le Congrès de 1965.

XII L'Acceptabilité des Associations en concurrence.

Trois Associations qui assistaient au concours, qui n'avaient pas payé leur souscription pour 1963, arrangèrent ce paiement avant le commencement du Championnat.

XIII Rapport par le Comité de Règles

(Appendix E).

Juges Internationaux.

La recommandation par le comité fut acceptée et on décida de former un comité pendant le Congrès (2ième. partie.) Item 25.

Le reste des items dans les rapports nus. 1 et 2, seraient terminés par rapport aux sujets présentés dans les motions.

XIV Le Comité de Tir a l'Arc en campagne regretta qu'il n'avait pas de rapport.

XV Motions.

1. Règles d'amateur. En proposant qu'on adopte une règle d'amateur, la Présidente dit que, si elle fut adoptée, la date proposée pour son inauguration serait le premier janvier, 1964.

Si le Congrès voulait adopter en entier la nouvelle règle Olympique, (les règles d'éligibilité de le comité internationale olympique), et l'ajouter à nos règles actuelles (Article 310(b)), au lieu de la motion proposée, alors, dans le futur aucun changement fait par le C.I.O. s'appliquerait machinalement à notre règle d'amateur. On accepta ceci sans plus de délibérations et la motion fut adoptée *nem con.*

2. Tolérance de mesure sur la faces des blasons. La motion fut adoptée (voir page 33 qui sera ajouté à Article 701).

Mr. Shenk demanda s'il serait possible étalonner par tout le monde les couleurs de le blason. On fit remarquer que l'étalonnage de couleurs eut été le sujet d'un article dans une émission passée du Bulletin Officiel.

3. Voir Minute 6.
4. Le futur des Championnats du Monde. On allait considérer ceci sous Item 14 dans l'ordre du jour, (le rapport du délégué de C.I.O.).
5. Un prix honoraire au Président de C.I.O. Le Congrès decida de donner une F.I.T.A. Plaque dorée au Président de l'International Comité Olympique, Mr. Avery Brundage.

6. Etiquettes d'identité pour les archers. Le Congrès accepta le principe que dans le futur les archers qui prenaient part au Championnat du Monde auraient une étiquette de leur nom qu'ils porteraient pour le Tournoi, pour qu'ils se reconnaissent mieux.

7. Changement dans les règles du Tournoi, le Championnat du Monde:

- (a) Comme résultat d'un vote pris sans une majorité de deux tiers, on approuva que la limite de deux minutes et demie après trois flèches devrait rester comme une recommandation à la Commission Technique.
- (b) La motion que le champ pour le tournoi devrait être un champ ouvert et non pas une arène fut acceptée en principe, mais on ne forma pas aucune règle.
- (c) La Suède retira cette motion.

8. La limite d'âge pour les Jeunes Archers. Puisque F.I.T.A. n'avait pas de limite d'âge pour entrer dans le Championnat du Monde, on ne ferait aucun changement dans la limite pour les jeunes qu'on eut adoptée au Congrès de 1961.

9. La désignation d'une commission d'enquête. Le Congrès était d'accord avec l'émission des bulletins de vote quelques jours avant les élections, tel comme on faisait cette année.

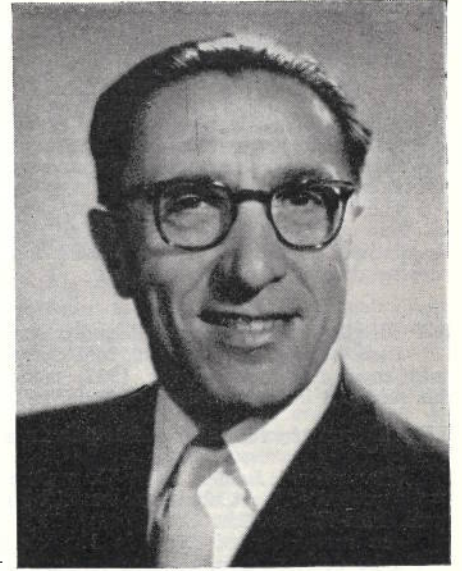

10. Le Comité du Tir à l'Arc en campagne. On s'occuperait de ceci sous Item 25 du Congrès, 2ième. partie de l'ordre du jour.

XVI Le Décernement de Plaquettes.

Le Congrès fut d'accord avec les avis rendus par l'Afrique du Sud qu'on donnerait des Plaquettes argentées à Mr. A. Honne et Mr. R. Hunter. Puis, la Présidente elle-même donna la plaquette à Mr. Honne, et puisque Mr. Hunter n'était pas là, le délégué de l'Afrique du Sud accepta la sienne pour lui, parmi beaucoup d'applaudissements.

XVII World Championships 1965 and 1967

- (a) In view of the present political difficulties, Mr. Shen spoke on the efforts of his Association to ensure that the 1965 Championships could take place in the U.S.A. If it finally proved impossible for the Tournament to be held, he would advise the Executive Committee by May, 1964.

In these circumstances Sweden offered to arrange the Tournament in 1965 if no other nation applied but they hoped others would do so as they had had the privilege on several previous occasions.

- (b) The Secretary advised Congress that he had received applications for the 1967 Championships from Holland and New Zealand. The latter offered 1969 as an alternative.

Congress accepted Holland's application and hoped they could accept New Zealand's later.

XVIII Annual Subscription

Congress agreed that the subscription remains at the present figure (£16 sterling) for at least the next two years.

XIX Report from I.O.C. Delegate

This Item 14 on the Agenda had been deferred until last, but in view of the time it was agreed to hold a special Meeting of Congress for this one subject at 2000 hours on Thursday, 25th July.

There being no other business, the President closed this session of Congress at 1250 hours.

SPECIAL MEETING

At the Congress House, Otaniemi, on Thursday, 25th July, at 20.00 hours.

1. The President declared the Meeting open.

It had been called to consider two items only from the agenda (No. 14 and No. 15/4 from Congress, Part 1) under the heading of "Olympic Matters."

The President suggested that these should be dealt with under four headings:

- (a) The Meeting of the I.O.C. and I.F. at Lausanne in February, 1963
- (b) The Meeting of the I.O.C. and I.F. at Lausanne in June, 1963
- (c) The Olympic Games, 1968
- (d) Any other business.

2. The Secretary called the Roll. The attendance was the same as Congress, Part 1, except for:

Absent: Mr. K. Filip, Mr. R. Simon, Mr. D. l'Hermine, Baron Cavalchini.

In addition: Mr. F. Jones (Canada), Mr. H. Hidehiko (Japan).

3. *Item (a).* The President read the recommendations made at Lausanne, and, to implement these, proposed that Article 301 be altered by calling the existing paragraph (a) and adding a new paragraph (b) as follows:

"No discrimination is allowed against any country or person on grounds of race, religion or political affiliations."

Having been duly seconded, the alteration was accepted. The President also proposed that Article 306(d) be reworded as follows:

"If a nominated Member Association is unable to hold a World Championship Tournament

- (a) through "force majeure";
 - (b) through the inability to give access to all Member Associations; or
 - (c) for some other unforeseen reason,
- the General Secretary, as well as all Member Associations, must be informed immediately."

Having been duly seconded, some discussion took place. Two amendments were tabled, but, on voting, both were lost. The original proposal being put, it was carried *nem con*.

Item (b). Mr. Kessels presented his report on the second Lausanne Meeting.

The International Federations had again strongly recommended that all 22 sports should be included in future Olympic Games.

Information was given concerning the division of the percentage of television fees to the International Federations.

The President thanked Mr. Kessels.

Item (c). Congress had been invited to express its opinion on the venue for the 1968 Olympic Games. On a show of hands, preference was given to each in the following order:

Lyon
Detroit
Mexico
Buenos Aires.

XVII Les Championnats du Monde 1965 et 1967.

- (a) A cause des actuelles difficultés politiques, Mr. Shen parla des efforts faits par son Association pour assurer que le Championnat de 1965 pourrait prendre lieu aux Etats-Unis. S'il était impossible d'avoir le Tournoi là, Mr. Shen informerait le Comité Exécutif avant le mois de mai, 1964.

En ce cas la Suède offrit d'arranger le Tournoi en 1965 s'il n'y avait pas une offre d'un autre pays. Mais, il espérait qu'une offre viendrait d'autres qui avaient eu l'honneur de l'arranger à plusieurs reprises auparavant.

- (b) Le secrétaire dit au Congrès qu'il avait reçu des applications pour le Championnat de 1967 de la Hollande et de la Nouvelle Zélande. Celle-ci offrit l'année 1969 comme une contre-proposition.

Le Congrès accepta l'application de la Hollande et espérait accepter celle de la Nouvelle Zélande plus tard.

XVIII Cotation Annuelle.

Le Congrès fut d'accord que la cotation resterait à la somme actuelle (16 livres sterling) pour au moins deux ans.

XIX Rapport du délégué C.I.O.

On eut laissé cet Item 14 de l'ordre du jour mais en considération de l'heure, on décida d'avoir une réunion spéciale du Congrès pour ce sujet à 20.00 hrs., jeudi, le 25 juillet.

Puisque il n'y avait plus d'affaires, la Présidente leva cette séance du Congrès à 12.50 hrs.

REUNION SPECIALE

A la maison du Congrès, Otaniemi, jeudi, le 25 juillet à 20.00 hrs.

1. La Présidente ouvrit la réunion. On avait proposé cette réunion pour considérer seulement deux items de l'ordre du jour, (nus. 14 et 15/4 du Congrès, première partie) sous le titre de "Affaires Olympiques".

La Présidente suggéra qu'on pourrait les considérer sous quatre en-têtes:

- (a) La réunion de C.I.O. et F.I. à Lausanne au mois de février, 1963.
- (b) La réunion de C.I.O. et F.I. à Lausanne au mois de juin, 1963.
- (c) Les Jeux Olympiques, 1968.
- (d) Le reste des affaires.

2. Le secrétaire fit l'appel. L'assistance fut la même que celle au Congrès, première partie, sauf:

Manquants: Mr. K. Filip, Mr. R. Simon, Mr. D. l'Hermine, Baron Cavalchini.

De plus: Mr. F. Jones (Canada), Mr. H. Hidehiko (Japon)

3. *Item (a)* La Présidente lut les recommandations faites à Lausanne, et, pour ajouter à celles-ci, elle proposa qu'on devrait changer Article 301. On appellerait le paragraphe actuel (a), et on ajouterait un nouveau paragraphe (b) ainsi:

"Aucune distinction n'est admise à l'égard d'un pays ou d'une personne, pour des motifs de race, de religion ou d'attaches politiques".

La proposition fut acceptée, après avoir été appuyée.

La Présidente proposa aussi qu'on devrait récrire Article 306 (d) ainsi:

"Si une Association nommée ne peut pas avoir le Tournoi du Championnat du monde:

- (a) par force majeure.
 - (b) par ne pouvoir pas donner accès à toutes les Associations; ou.
 - (c) par quelque autre raison non prévue,
- on doit informer le secrétaire général, de même que toutes les autres Associations".

La proposition ayant été appuyée, on discuta un peu. On proposa deux modifications, mais on ne les adopta pas. La première proposition fut adoptée *nem con*.

Item (b) Mr. Kessels présenta son rapport sur la seconde séance à Lausanne.

On avait donné une recommandation bien forte aux Fédérations Internationales qu'on devrait inclure tous les vingt-deux sports dans les futurs Jeux Olympiques.

On donna de l'information sur la division de la portion des honoraires alloués par la télévision aux Fédérations Internationales.

La Présidente remercia Mr. Kessels.

Item (c) On avait invité le Congrès d'exprimer son opinion sur la venue pour les Jeux Olympiques de 1968. On montra, par la main, cette préférence:

Lyon
Detroit
Mexico
Buenos Aires.

It was stated that if Archery was included in the Olympic Games, then it would automatically become a World Championship. It was agreed that this subject be tabled in the Agenda for the 1965 Congress.

Item (d) Mr. Shenk recommended that the expenses be paid for the President to attend I.O.C./I.F. Meetings in future and also at the I.O.C. Meeting taking place in Nairobi this coming October should it be of any importance to archery.

Congress accepted this and it was carried unanimously.

Mr. Ekegren inquired how F.I.T.A. was planning to keep informed the members of the National Olympic Committees and the International Olympic Committee.

The President replied that she recommended that all Member Associations should become affiliated to their National Olympic Committees (Associations) and asked all Members present to ensure that they were, in fact, members. As such they would automatically be represented in the National Olympic Committees and that was the place to put forward our views.

There being no other business, the Meeting closed at 21.45 hours.

PART II

At the Reception Building, Otaniemi, Sunday, 28th July, at 10.00 hours.

In the Chair: The President, Mrs. I. K. Frith.

1. Opening

At the Roll Call, the following were present:

Honorary President: Mr. O. Kessels
Voting delegates:

Belgium	Mr. P. Prieels
Canada	Mr. F. C. Jones
Czechoslovakia	Mr. J. Baster
Denmark	Mr. V. Larsen

2. Approval of Minutes

The duplicated copies of the Minutes of Congress, Part I, and of the Special Meeting on Thursday, 25th July, having been circulated in advance to all Council Members and Delegates, the Minutes were taken as read. With one minor correction and one addition they were approved by Congress and signed by the President as a correct record.

3. 1965 World Championship

Arising from the Minutes, Item 17(a), both New Zealand and Switzerland offered to organise the 1965 World Championships if the present political difficulties finally proved it impossible to hold the Tournament in the U.S.A. The President thanked the representatives from these Associations, the offer of Switzerland being accepted on a show of hands.

4. Applications for Affiliation

Congress elected the following as scrutineers for all ballots: Messrs. A. Hoff Berge, G. Helwig and P. Prieels.

As a result of the ballot, all five applications for membership were accepted: Austria, South Korea, Mongolia, The Philippines and Rhodesia.

On dit que, si on allait inclure le Tir à l'Arc dans les Jeux Olympiques, ils deviendraient donc un Championnat du Monde. On fut d'accord qu'on inclurait ce sujet dans l'ordre du jour du Congrès de 1965.

Item (d). Monsieur Shenk recommanda qu'on paye les dépenses de la Présidente pour assister aux séances futures de C.I.O./F.I. et aussi à la séance C.I.O. qui allait prendre lieu à Nairobi en octobre, si elle était d'importance au Tir à l'Arc.

Le Congrès accepta cette proposition et elle fut adoptée à l'unanimité.

Mr. Ekegren demanda comment le F.I.T.A. allait donner de l'information aux membres des Comités nationaux olympiques, et au Comité International Olympique.

La Présidente répondit qu'elle recommanda que toutes les Associations devaient s'affilier à leurs Comités nationaux olympiques (Associations), et demanda que tous les membres qui assistaient étaient, en effet, des membres. Ainsi seraient-ils représentés machinalement dans les Comités nationaux olympiques. C'était là où on devrait présenter ses opinions.

Sans plus d'affaires, on leva la séance à 21.45 hrs.

DEUXIEME PARTIE.

Au bâtiment de réception, Otaniemi, dimanche le 28 juillet à 10.00 heures.

Dans le fauteuil: La Présidente, Mrs. I. K. Frith.

1. L'inauguration.

Quand on fit l'appel, ceux qui assistaient étaient:

Le Président Honoraire: Mr. O. Kessels
Les délégués avec le droit de voter:

La Belgique	Mr. P. Prieels
Le Canada	Mr. F. C. Jones
La Tchécoslovaquie	Mr. J. Baster
Le Danemark	Mr. V. Larsen
La Finlande	Mr. V. Ansala

Les Etats-Unis	Mr. C. Shenk

Autres délégués:

La France	Mr. D. l'Hermine
L'Afrique du Sud	Mr. M. Shiers
L'Espagne	Mr. M. Soto
La Suède	Mr. L. Ekegren et Mr. K. Bengtsson
Les Etats-Unis	Mr. G. Helwig

Membres du Conseil Administratif:

Vice-Présidents: Mr. V. Ansala, Mr. J. Bastar,
Mr. K. Filip

Autres membres: Mr. A. Honne, Mr. P. Prieels,
Mr. F. M. Spoor.

Secrétaire Général: Mr. A. R. Harvey

Observateur: Mr. R. Nuguid-Les Philippines.

2. Approbation du Procès-Verbal

On accepta le procès-verbal sans lecture, puisque des reproductions du procès-verbal du Congrès, première partie, et de la séance spéciale, jeudi le 25 juillet, avaient été circulées en avance à tous les membres du Conseil et à tous les délégués. En dehors d'une correction mineure et une addition, le Congrès l'approuva et la Présidente l'accepta comme un juste rapport.

3. Le Championnat du Monde de 1965

Comme suite au procès-verbal, Item 17(a), La Nouvelle Zélande et la Suisse offrirent d'organiser le Championnat du Monde de 1965 si les difficultés actuelles et politiques allaient le rendre impossible avoir le Tournoi aux Etats-Unis. La Présidente remercia les délégués de ces Associations et l'offre de la Suisse fut acceptée par un vote à main.

4. Demandes pour affiliation

Le Congrès elut les suivants comme scrutateurs de tous les votes: Messieurs A. Hoff Berge, G. Helwig et P. Prieels.

Comme résultat du vote, on accepta tous les cinq applications pour affiliation, l'Autriche, la Corée (du sud), la Mongolie, les Philippines et la Rhodesie.

2. IN MEMORIAM

With sorrow, the deaths of the great personalities in Archery—Mr. H. Kjellson (Hon. President); Mr. C. W. Nettleton (Hon. Vice-President); and Mr. C. O. Vaaben-Hansen (Member of the Administrative Council) were reported in F.I.T.A. Information and in Bulletin No. 19.

3. AWARD

The Executive Committee awarded with pleasure, the Bronze Plaque to Mr. S. W. Mitchener, President of the New Zealand Archery Association. The citation is to be found in Bulletin No. 19.

4. MEMBER ASSOCIATIONS

Roumania It was with regret that I received the withdrawal from membership of Roumania from 1st January, 1963, owing to lack of support in their country.

Venezuela Contact with a new Association has been made, who declare that the old Association with whom we had failed to make contact no longer exists. Nothing final yet.

Mexico Correspondence returned. We are now trying, through the National Olympic Committee, to find out if they know the position. We know Archery is practised.

Rhodesia } Have all applied for affiliation. The
South Korea } applications will be tabled at the 1963
The Philippines } Congress.
Mongolia }

5. WORLD CHAMPIONSHIPS, 1963

The World Championships which were to have taken place in Great Britain in August, 1963, were cancelled in September, 1962, owing to changes in the political situation that made it impossible for all Member Associations to enter Britain. A new venue was established in Helsinki for July, 1963, by the most generous offer of Finland to take over the organisation. For this I was deeply grateful.

I thank the Grand National Archery Society for all their work over a whole year towards making the event memorable, all to be wasted, and I regret any financial loss suffered in this connection.

I would like to extend my thanks to Sweden for offering to take the Championships if no other Member applied. Both Rhodesia and Monaco applied, but as neither is a Member, as yet, it was not possible to consider their applications.

6. SECRETARY GENERAL

Mr. S. Mansell resigned in August, 1962, giving his reasons in a confidential letter. Mr. Mansell, while in office, generously presented our die-stamped headed paper as well as paying for all his postages, for which I extend my appreciation and thanks.

Mr. A. R. Harvey, at the recommendation of the President, was accepted by the Administrative Council for this office. This has to be confirmed by Congress, 1963.

7. TREASURER

Major H. G. Baldwin underwent a major operation in August, 1962, which held up his work for some six months.

The Treasurer's Report and Financial Statement will be distributed with this Report—and the Congress Agenda—to all concerned.

8. MOVABLE ASSETS

Article 113 states: "The General Secretary and the Treasurer shall be responsible for the care and control of all the Federation's Movable Assets, including all stocks . . . as well as for dies used for the striking of any articles incorporating the F.I.T.A. emblem."

The dies used for striking World Championship Medals, Plaquettes and other badges were not F.I.T.A.'s property, but they have now been purchased from Sweden. F.I.T.A. now holds the following dies: World Championship; Distance; Team; Plaque; Star and Brooch.

9. SUBSCRIPTION

The question was asked at the Oslo Congress if the Annual Subscription from Member Associations could be differentiated. With this in mind the 1962 Questionnaire was compiled to obtain some facts and figures on which to work. Study of these proved that it would be difficult to find a satisfactory way for Member Associations to pay different fees and for the Federation to receive about the same annual income as at present.

10. ADMINISTRATIVE COUNCIL

This Council was consulted by correspondence on subjects the Executive Committee regarded as not being routine business (i.e. General Secretary, World Championships).

11. RULES & REGULATIONS COMMITTEE

This Committee has been at work throughout the two years and has submitted a written report circulated with the Motions for the Helsinki Congress. A further report will be sent out with the Agenda.

2. IN MEMORIAM

Avec tristesse nous trouvons dans l'information de F.I.T.A. et dans le 19ième. Bulletin, la mort des grands personnages du Tir à l'Arc, Mr. H. Kjellson (Président Honoraire), Mr. C. W. Nettleton (Vice-Président Honoraire), et Mr. C. O. Vaaben-Hansen (Membre du Conseil d'Administration).

3. DECEMENT

Avec plaisir le Comité Exécutif présenta la plaquette en bronze à Mr. S. W. Mitchener, Président de l'Association de Tir à l'Arc de la Nouvelle Zélande. La citation se trouve dans le 19ième. Bulletin.

4. ASSOCIATIONS

La Roumanie J'ai reçu avec regret la retraction de la Roumanie dès le premier janvier, 1963, à cause d'une manque d'appui dans son pays.

La Venezuela: On a été en rapport avec la nouvelle Association, qui dit que la vieille Association, avec laquelle nous ne pouvions pas être en rapport, n'existe plus. Rien de certain.

La Mexique: Correspondance retournée. Nous essayons maintenant, par le Comité National Olympique, de découvrir s'ils savent ce qui se passe. Nous savons qu'il existe là, le Tir à l'Arc.

Rhodesie: } Tous ces pays nous ont adressés pour affiliation.
Corée du sud: } Les demandes seront passées en revue au
Les Philippines: } Congrès de 1963.
Mongolie: }

5. CHAMPIONNAT DU MONDE 1963.

A cause de changements dans la situation politique, il était impossible pour tous les pays d'entrer dans la Grande-Bretagne. Ainsi était-il nécessaire au mois de septembre, 1962, de révoquer le Championnat du Monde qui allait prendre lieu en Grande-Bretagne au mois d'août, 1963. Une nouvelle venue était établie à Helsinki pour juillet, 1963 par l'offre très généreuse de la Finlande de prendre la suite des affaires. Je leur envoie mes plus grands remerciements.

Je remercie toute la grande Association nationale de Tir à l'Arc pour tout leur travail pendant un an entier. Ce travail perdu aurait rendu mémorable ce Championnat, et je regrette aussi si on a perdu de l'argent à cause de ceci.

Aussi, je voudrais remercier la Suède pour avoir offert de prendre le Championnat, si aucun autre pays ne se présentait pas. La Rhodesie et le Monaco se sont adressés à nous, mais puisque ni l'un ni l'autre n'est pas encore un membre, il était impossible de considérer leurs demandes.

6. LE SECRETAIRE GENERAL.

Mr. S. Mansell résigna au mois d'août, 1962, donnant des raisons personnelles dans une lettre confidentielle. Je veux remercier Mr. Mansell, qui, comme secrétaire, nous présentait avec générosité notre papier inscrit avec notre propre étampe, et aussi payait ses propres ports de lettres.

Suivant la recommandation du Président, Mr. A. R. Harvey, fut accepté par le Conseil d'Administration pour cet emploi. Le Congrès de 1963 doit le confirmer.

7. TRESORIER.

Major H. G. Baldwin ne pouvait pas travailler pendant six mois, parceque au mois d'août, 1962, il s'est soumis à une grande intervention chirurgicale. A tous les intéressés on va distribuer avec ce rapport, celui du trésorier, l'état des finances, et l'ordre du jour du Congrès.

8. BIENS MOBILIERS.

Article 113 dit "Le Secrétaire Général et le Trésorier seront responsables pour la garde et le contrôle de tous les biens mobiliers de la Fédération, y compris les stocks de Plaquettes ainsi que des clichés et matrices pour la confection de pareils articles comportant l'emblème de la F.I.T.A."

Les estampes employées pour les Médailles du Championnat du Monde, les Plaquettes et les autres insignes (sportifs) n'appartenaient pas à F.I.T.A., mais on les a achetées de la Suède. Maintenant F.I.T.A. tient les estampes suivantes: Championnat du Monde; Distance; Equipe; Plaque; Etoile et Broche.

9. COTISATION.

On demanda au Congrès à Oslo si on pourrait faire différencier entre les cotisations annuelles des Associations. A cause de ceci on fit le Questionnaire de 1962 pour obtenir quelques faits et chiffres de quoi se servir. On découvrit ainsi, qu'il serait difficile de trouver un système de cotisations différentes qui donnerait à la Fédération à peu près la même somme annuelle.

10. CONSEIL D'ADMINISTRATION.

On consulta ce conseil par lettre sur des affaires que le conseil exécutif ne regarda pas comme d'affaires courantes (i.e. Le Secrétaire Général, le Championnat du Monde).

11. COMITE DE REGLES.

Ce comité travaille depuis deux ans, et maintenant il a soumis un rapport circulé avec le procès-verbal pour le Congrès à Helsinki. On enverra un autre rapport avec l'ordre du jour.

12. PUBLICATIONS

- (a) *The Constitution & Rules* were printed in both English and French, and one copy distributed free to all Members. We owe sincere thanks to Mr. O. Kessels for the translation of the French Edition.
- (b) *Bulletin No. 19* was issued in January, 1963, and with it a small booklet—
- (c) *F.I.T.A. Facts* giving the answers to many queries about the past as well as the present.
- (d) *F.I.T.A. Information*. These News Sheets have continued to be issued whenever material was available. (Nine issues during the period under review).
- (e) *Record Sheets*. The new World Championship Records, set up in 1961, and World Records (10 new records were ratified by the Executive Committee) have been distributed.
- (f) *F.I.T.A. Star Holders*. A complete list since this reward was instituted in 1955 was compiled and issued.
- (g) *Mail Matches*. The results and Diplomas for the 1961 and 1962 matches have been issued. Included was the first Junior Mail Match, 1962.
- (h) *Questionnaire*. Members were asked to complete and return a form with questions of general interest in 1962. Not all Members replied but an analysis was issued in Bulletin No. 19. A second questionnaire was sent out earlier this year, the analysis not yet being available.

13. OLYMPICS

An extra-ordinary Meeting was called by the I.O.C. in Lausanne on 8th February, 1963, to which the International Federations were invited. The subject was "Sport and Politics." The President as well as Mr. Kessels was present. A Report, together with the Recommendations issued after the Meeting was circulated in February. This will be tabled at Congress in Helsinki.

Mr. O. Kessels will attend the next Meeting in Lausanne—in June—of the I.O.C., and will then present a report.

14. RECORDS

Mr. L. Ekegren has informed us that no F.I.T.A. Records of any kind are in F.I.T.A.'s possession for the years 1931-1949. Nor have we any Records of World Championships for the years 1949-1961, apart from what is printed in the Bulletins.

I should like to make it our task to collect as complete a set as is possible of everything in connection with the 21 World Championships that have been held since 1931—when F.I.T.A. was formed—as well as Congress papers and Bulletins before 1949, and any other matter of interest we may come across.

Such World Championship Records to include Programmes, Scores Sheets, Commemorative Badges, etc—all very individual and of historical interest. If we could also lay our hands on any of the many beautiful Championship Medals it would be nice. Some of these will be difficult to come by but unless we make an effort NOW these will be lost for ever and certainly get more difficult to find as the years pass by.

I think we owe it to the future to at least try and get the Records together.

May I appeal to all Members to do their best to assist in finding what may be available in private possessions as well as some National Archery Associations. They may be willing to give up what they hold in order that F.I.T.A. may have a complete collection for its records. Such a collection would constitute the history of the Federation.

The Olympic Committee has records of everything connected with the far more complicated Olympic Games—since 1896!

In all cases a letter should be written first giving details of what is available. It would be the intention to keep a record of each donor.

15. CONCLUSION

My appreciation and thanks for work done by Major H. G. Baldwin and Mr. A. R. Harvey, and to the many Member Associations who do their best to make the work of the Executive Committee pleasant. Also to Mr. A. Honne (Norway) and Mr. R. E. Hunter (South Africa) for their most valuable Committee work on Rules.

And let us never lose sight of the object of F.I.T.A. as stated in the Constitution . . . "TO PROMOTE AND ENCOURAGE ARCHERY THROUGHOUT THE WORLD."

I am looking forward to the XXIIInd World Championships and Congress in Helsinki and I hope a greater number than ever will be present.

And may these our biennial meetings, when we come together from all the corners of the World, always be memorable in a happy way, although of necessity both Congress and the shooting on these occasions must be serious.

INGER K. FRITH,
Présidente.

P.S. I now learn with regret, that Major Baldwin's health will not allow him to continue as Treasurer. He will retire at this coming Congress.

12. OUVRAGES PUBLIES.

- (a) La Constitution et Règles — on le publia en anglais et en français, et une copie fut distribuée à chaque membre. Nous devons à Mr. O. Kessels nos remerciements bien sincères pour l'Edition française.
- (b) Bulletin Nu. 19 — fut publié au mois de janvier, 1963, et avec le Bulletin un petit livre.
- (c) Les faits sur F.I.T.A. — donna des réponses à des questions demandées au passé et en ce moment.
- (d) Information sur F.I.T.A. On a continué à publier ces résultats et les Diplômes pour les concours de 1961 et 1962. (Neuf publications pendant l'époque en revue).
- (e) Bulletin de records. On a distribué le Records du Championnat du Monde, en 1961, et les Records du Monde (le Comité Executif ratifia dix nouveaux records).
- (f) Porteurs de l'Etoile de F.I.T.A. On compila et publia un état complet de ceux qui avaient gagné ce prix depuis son inauguration de 1955.
- (g) Concours par correspondance. On a publié déjà les résultats et les Diplômes pour les concours de 1961 et 1962. Ci-inclus était le premier concours pour les jeunes en 1962.
- (h) Questionnaire. En 1962 on demanda aux membres de compléter une feuille qui portait des questions d'intérêt général. Pas tous les membres répondirent, mais en dépit de cela, on publia une analyse dans le 19ième. Bulletin. Un deuxième questionnaire était envoyé plus tôt pendant cette année, mais on n'a pas encore formé une analyse.

13. LES JEUX OLYMPIQUES.

Une séance d'urgence fut convoquée par C.I.O. à Lausanne, le 18 février, 1963, à laquelle on invita toutes les fédérations internationales. Le sujet était, "Sport et Politique". La Présidente, de même que Mr. Kessels, y assistait. Un rapport fut circulé après, en février, avec les recommandations. On présentera ceci au Congrès à Helsinki.

Mr. O. Kessels assistera à la prochaine séance de C.I.O. à Lausanne — au mois de juin — et puis il présentera son rapport.

14. RECORDS

Mr. L. Ekegren nous a informé que F.I.T.A. ne possède aucun rapport pour les ans 1931-49. Aussi nous n'avons pas de rapports sur le Championnat du Monde de 1949-61, outre que ceux publiés dans les Bulletins.

Je voudrais bien que ce soit notre tâche, celle d'assembler tout ce qui est possible quant aux vingt-et-un Championnats de Monde qui ont eu lieu depuis 1931 — l'année de la formation de F.I.T.A. — de même que les papiers de Congrès et les Bulletins avant 1949, et tout ce qu'il y ait d'intérêt.

Ces records des Championnats du Monde devraient inclure Programmes, les feuilles de pointage, Insignes commémoratifs etc. — tous très particuliers et d'un intérêt historique. Nous voudrions bien trouver aussi quelques-unes des belles médailles des Championnats. Il sera difficile de les trouver, mais si nous n'essayons pas maintenant de le faire, elles seront perdues à jamais, et avec le passage des ans, il deviendra encore plus difficile.

Je crois que nous devons au futur l'effort de rassembler les records.

Je vous prie, à tous les membres, de faire ce que vous pouvez de trouver ce qui appartienne à des particuliers, ou bien à des Associations Nationales. C'est possible qu'ils voudront donner ce qu'ils tiennent pour que F.I.T.A. puisse avoir une série complète pour ses archives. Tel collectionnement donnerait toute l'histoire de la Fédération.

Le Comité Olympique tient records de tout ce qui concerne les Jeux Olympiques — qui sont bien plus compliqués — depuis 1896.

Dans tous les cas, il faut écrire une lettre auparavant qui donne les détails de ce qui est disponible. On prendra note de chaque donateur.

15. CONCLUSION

Je veux présenter mon appréciation et remerciements pour le travail fait par Major H. G. Baldwin et Mr. A.R. Harvey, et aux nombreuses Associations qui ont fait de son mieux pour rendre agréable le travail du Comité Executif. Aussi je veux remercier Mr. A. Honne (Norvège) et Mr. R. E. Hunter (L'Afrique du Sud), pour leur travail de grande valeur, en comité, sur les règles.

N'oublions jamais la fin de F.I.T.A., comme présentée dans la Constitution, de . . . "LA PROPAGATION ET L'ENCOURAGEMENT DE LA PRATIQUE DU TIR A L'ARC DANS LE MONDE ENTIER."

J'espère avec impatience le XXIIIème. Championnat du Monde et le Congrès à Helsinki, et j'espère que plus de personnes que jamais y seront. Il est nécessaire que le Congrès et le Tir à l'Arc soient sérieux, mais j'espère que nos rencontres tous les deux ans, quand nous venons de chaque coin du monde, laissent toujours un souvenir heureux.

INGER K. FRITH
Présidente.

P.D. Je viens d'apprendre avec regret que la santé de Major Baldwin ne lui permettra pas de continuer comme trésorier. Il se retirera au Congrès prochain.

TREASURER'S REPORT

In view of the change over from Swedish currency to British, and also to the fact that all Mr. Fahlman's books, bills, etc., were in Swedish language and currency, I have accepted the previous Treasurer's Balance up to the time he handed over to me as being correct. As this gentleman has been F.I.T.A. Treasurer for a number of years, and is also very well known to so many Members, I have no doubt that my action will be condoned.

All subscriptions for 1962 have been paid, with the exception of Mexico and Morocco. As the former do not appear to have any further interest in remaining members of the Federation, all communications to them being returned, it is with regret that it can only be assumed that they have resigned from F.I.T.A. Morocco is still looked upon as a Member and therefore appears in "Sundry Debtors" as owing for 1962 and 1963 subscriptions. The outstanding 1960/61 subscriptions owed by Canada and Cuba have been paid, and also four deposits have been received from prospective members.

The Dies for the manufacture of F.I.T.A. Stars, Medals and Badges have been purchased from the manufacturers in Sweden and are now the property of the Federation. It was found to be cheaper to buy the Swedish ones and pay British duty, than to have new ones made in the United Kingdom. The Dies for the printing of the F.I.T.A. emblem on all stationery and other printed matter have been paid for, so these expenses will be non-recurring in the future.

The item of £1 7s. 0d. in the accounts for Bank charges is the total of deductions made by the Members' banks when remitting amounts for Subscriptions or payments for badges, etc., to me. These deductions represent the bank's charges, but should be paid by the Member, not by the Federation.

In 1963 I have only, so far, received thirteen subscriptions, eight in the accounts to the 31st March 1963, the other five since. As Members should know, their subscriptions for the current year should be paid to me before the World Championships in Helsinki in July next.

H. G. BALDWIN
Treasurer.

REPORT ON THE XXIInd WORLD CHAMPIONSHIPS

As the task of arranging the XXIInd World Championships in Archery was given to Finland towards the end of 1962, there has not been very much time to make preparations. Fortunately the Tournament held here in 1955 is still fresh in our minds and as we have not made our plans to a luxurious standard, we have managed so far.

Due to a shortage of officials we have not been able to arrange for every visiting team to have an individual liaison officer, as we would have wished, so some teams have been obliged to find their own way to their accommodation. It should be mentioned that many participants failed to inform us beforehand of the exact time of their arrival. We hope however, that nobody is absent because of this.

The Tournament will take place at the Pallokenttä in Helsinki and living accommodation and the Congress Meetings have been arranged at Otaniemi Student Village. From here transport will take archers and officials to the Shooting Ground. The arrangements at the Ground will be to the usual standard. For economic reasons we cannot offer shelters of a size to accommodate all the participants, but should there be heavy rain there are two shelters that will protect the archers' equipment.

Results will be announced in accordance with F.I.T.A. Rules and in addition we shall record the cumulative scores of the five leading ladies and the ten leading gentlemen on a large scoreboard at the side of the Ground. The shortage of officials may perhaps cause some delay in issuing duplicated scores lists but in order to reduce this disadvantage, we shall display the results on large boards as quickly as possible after every distance.

We regret to record some negligence by a few Member Associations in submitting their entries for the Tournament, the F.I.T.A. Rules being interpreted far too broadly. According to Article 311, an estimated number of entrants must be stated four weeks in advance of the Tournament. This can hardly be interpreted in the way that was done by one participating country who said: "We intend to send a team of at least six but not more than twelve."

The same Article states that the names and details of competing archers must be sent at least two weeks before the

RAPPORT DU TRESORIER

J'ai accepté comme exacte le solde du trésorier antérieur jusqu'au temps de son retrait, en présence des faits suivants. On a changé le cours suédois à cours britannique, et aussi tous les livres et comptes etc. étaient dans la langue et monnaie suédoises. Je ne doute pas que les membres soient d'accord avec ce que j'ai fait, car ce monsieur a été trésorier de F.I.T.A. pendant beaucoup d'années, et est très bien connu par beaucoup de membres.

Toutes les cotisations pour 1962 ont été payées, sauf celles de Mexique et de Maroc. Puisque celui-là ne semble plus s'intéresser dans la Fédération, ayant retourné toutes leurs lettres, nous regrettons qu'il faut assumer que ce pays a résigné de F.I.T.A. On regarde toujours le Maroc comme un membre, et ainsi paraît-il entre les "Débiteurs divers", à cause de n'avoir pas payé ses cotisations pour 1962 et 1963. Les cotisations arriérées de 1960/61, qui n'étaient pas payées par Canada et Cuba, ont été payées maintenant, et aussi on a reçu quatre dépôts de membres éventuels.

Les épreuves pour la fabrication des Etoiles, Médailles et Insignes de F.I.T.A. ont été achetées des fabricants en Suède et appartiennent maintenant à la Fédération. On le trouva moins cher acheter les épreuves suédoises et payer les droits de douane britanniques, que de faire fabriquer de nouvelles épreuves dans le Royaume-Uni. Les épreuves pour l'insigne de F.I.T.A. sur toute la papeterie et sur toutes les autres choses imprimées ont été payées, et ainsi n'aurons-nous plus ces dépenses.

La somme de £1.7s.0d. dans les comptes pour les frais de la Banque est la somme totale des déductions par les Banques des membres quand elles m'envoient de l'argent pour les cotisations ou paiements pour des insignes etc. Ces déductions représentent les frais de la Banque, mais elles devraient être payées par le Membre, et non pas par la Fédération.

Jusqu'ici, en 1963, je n'ai reçu que treize cotisations, huit se contiennent dans les comptes jusqu'au 31 mars, 1963, et les autres cinq sont arrivées depuis ce temps-là.

Comme les membres savent, ils devraient payer leur cotisation pour l'année courante avant le Championnat du Monde à Helsinki au mois du juillet prochain.

H. G. BALDWIN.
Trésorier.

RAPPORT SUR LE XXIIeme CHAMPIONNAT DU MONDE

Puisque la tâche d'arranger ce Championnat de Tir à l'Arc fut donnée à Finlande vers la fin de 1962, on n'a pas eu beaucoup de temps pour les préparations nécessaires. Heureusement nous rappelons bien le Tournoi qui avait lieu là en 1955, et puisque nous nous n'avons pas fait des dessins à un niveau de luxe, nous sommes débrouillés bien, jusqu'ici.

A cause d'une manque d'officiers, nous n'avons pas pu arranger que chaque équipe tienne son propre officier de liaison, comme nous aurions voulu. Ainsi quelques équipes ont-elles dû chercher leur propre logement. Nous devons mentionner que beaucoup de participants ont manqué de nous informer auparavant de l'heure exacte de son arrivée. Nous espérons, pourtant, que personne ne soit absent à cause de ceci.

Le tournoi prendra lieu au Pallokenttä à Helsinki, et on a arrangé le logement et les séances du Congrès dans le village d'étudiants à Otaniemi. De là il y a du transport pour les archers et pour les officiers au champ de jeu. Là les arrangements seront comme d'habitude. A cause de l'économie nous ne pouvons pas offrir assise à tous les participants, mais s'il pleut beaucoup, il y aura deux abris qui protégeront l'équipage des archers.

On annoncera les résultats selon les règles de F.I.T.A. En outre nous enregistrons les points cumulatifs des cinq premières femmes et des dix premiers hommes sur un grand tableau à côté du champ. La manque d'officiers pourrait causer un délai dans la circulation des points, en double exemplaire, mais pour améliorer ce désavantage, nous montrerons les résultats sur de grands tableaux aussitôt que possible après chaque intervalle.

Nous sentons que quelques Associations ont négligé de soumettre de la bonne façon leurs entrées pour le tournoi, à cause d'avoir entendu bien plus largement les règles de F.I.T.A. Selon Article 311, on doit donner le numéro calculé de participants quatre semaines avant le Tournoi. On ne pouvait pas interpréter la règle tel comme l'a fait un pays qui dit, "Nous avons l'intention d'envoyer une équipe de six personnes au moins, mais pas plus de douze personnes".

Le même Article dit que les noms et les détails des archers qui prennent part doivent être envoyés au moins quinze jours avant le

first day of the Tournament—in this case before 10th July. We have to state that many applications had not arrived by that date and these lists had to be asked for by cable.

Even as late as 18th/19th July we were receiving entries and unfortunately these could not be accepted, the Association concerned having to be informed of this by cable. Substitution of one archer by another has, on the other hand, been accepted (Article 318).

We hope that in spite of all these inconveniences, this Tournament has been prepared to everyone's satisfaction and that all our guests will enjoy their visit to our City and to the Tournament Ground.

premier jour du tournoi — en ce cas avant le 10 juillet. Il faut déclarer que beaucoup d'enregistrements n'étaient pas arrivées à temps, et il fallait les demander par cable.

Même aussi tard que le 18/19 juillet nous recevions des enregistrements, et malheureusement nous ne pouvions pas les accepter. Il fallait informer ces Associations par cable. Par contre on a accepté (Article 318) la substitution d'un archer pour un autre.

Nous espérons que, en dépit de tous ces contretemps, ce tournoi a été préparé à la satisfaction de tous, et que tous nos invités prendront plaisir à leur visite à notre ville et au champ du tournoi.

REPORT OF THE TEAM CAPTAINS' MEETING

This Meeting was held at Otaniemi at 9.30 a.m. on 23rd July, 1963, to appoint the Technical Commission for the XXIInd World Archery Championship Tournament in Helsinki.

1. Mr. Stig Jahnsson, Captain of the Finnish Team welcomed all present.
2. The Chairman drew attention to Article 317 of the F.I.T.A. Constitution and Rules, paragraphs 1—3. He introduced Mr. Sven Ingves who had been appointed Chairman of the Technical Commission by the Finnish Archery Association. The following were appointed members of the T.C.:
Mr. Kjell Bengtsson, Sweden.
Dr. G. R. Wotton, Great Britain
3. Thereafter the Chairman read the duties of the T.C., Article 317, paragraphs (a) to (i).
4. The Meeting was adjourned at 9.45 a.m.

STIG-OLOF JAHNSSON,
Finnish Team Captain.

REPORTS FROM THE COMMITTEE FOR RULES AND REGULATIONS No. 1

Members: Mrs. R. Frith, Great Britain;
Mr. A. Honne, Norway;
Mr. R. Hunter, South Africa.

References:
Minutes of XXIst Congress, Oslo, 1961. Minute XI (b).
President's Proposals for XXIInd Congress, Motions 1 and 2.

Subjects:
1. INTERNATIONAL JUDGES
2. AMATEUR RULE
3. TOLERANCE of MEASUREMENTS
of TARGET FACES

1. INTERNATIONAL JUDGES

Czechoslovakia and Belgium proposed that a Committee of International Judges should be considered by Congress in Oslo, 1961. This was agreed as desirable and passed to this Committee for a final recommendation to the 1963 Congress. The International Olympic Committee strongly recommend that all International Federations should have International Judges.

The Committee RECOMMENDS THAT:

Congress set up a Committee under Article 105(k) to handle and examine applications and present them in Report to Congress.

Applications to be submitted by National Associations giving:

1. Name and Address of National Association.
2. Name of proposed International Judge.
3. Experience, including practical and technical Archery experience of candidate as well as judging in Archery or any other sport.
4. World Championship experience.
5. Languages spoken.
6. Any additional information, which could be of assistance to Congress in making such appointments.

The candidate must be present ready for interview at the World Championship, where his application will be laid before Congress. Congress may decline any application without assigning any reason.

Duties of International Judges. If present and available at World Championships, the Organising Committee and Team Captains should select these for Technical Commission.

International Tournaments. On request from Member Associations, the International Judge Committee will submit its advice on Judges for an International Event. It is strongly recommended that at least one such Judge be present.

Olympic Games. F.I.T.A. only to recommend Judges on their current list for any Olympic Game where Archery is included.

2. AMATEUR RULE.

The Committee RECOMMENDS THAT:

The President's proposal be adopted as it stands.

For information on this subject, the new Olympic Amateur Rule, adopted in 1962 now reads:

RAPPORT SUR LA SEANCE DES CHEFS D'EQUIPE

Cette séance eut lieu à Otaniemi à 9-30 hrs. le 23 juillet, 1963, pour nommer la Commission Technique pour le tournoi du XXII^{ème} Championnat mondial du Tir à l'Arc à Helsinki.

1. Mr. Stig Jahnsson, chef de l'équipe de Finlande souhaite la bienvenue à tous.
2. Le Président attira l'attention à l'Article 317 de la Constitution et des règles de F.I.T.A. (paragraphes 1 à 3). Il presenta Mr. Sven Ingves qui avait été nommé comme président de la Commission Technique par l'Association de Tir à l'Arc de Finlande. On nomma, comme membres de la C.T.:
Mr. Kjell Bengtsson, Suède.
Dr. G. R. Wotton, Grande-Bretagne.
3. Après, le Président lut les devoirs du C.T. Article 317, paragraphes (a) à (i).
4. La séance se leva à 9-45 hrs.

STIG-OLOF JAHNSSON.
Chef de l'équipe de Finlande.

RAPPORTS DU COMITE DE REGLES

No. 1

Membres: Mrs. R. Frith, Grande-Bretagne;
Mr. A. Honne, Norvège;
Mr. R. Hunter, l'Afrique du Sud.

Références:
Procès-verbal du XXI^{ème} Congrès à Oslo, 1961.
Minute XI (b). Les propositions de la Présidente pour le XXII^{ème} Congrès, Motions 1 et 2.

Sujets:
1. JUGES INTERNATIONAUX.
2. REGLES D'AMATEUR.
3. TOLERANCE DE LA MESURE DES CIBLES.

1. JUGES INTERNATIONAUX.

La Tchécoslovaquie et la Belgique proposèrent que le Congrès à Oslo, 1961, devrait considérer un Comité de Juges Internationaux. On était d'accord, et le passa à ce comité pour une dernière recommandation au congrès de 1963. Le Comité International Olympique recommanda bien fermement que toutes les Fédérations Internationales devraient avoir de juges Internationaux.

Le Comité RECOMMANDE QUE:

Le Congrès doit établir un comité sous Article 105 (k), pour prendre en main et pour examiner les applications, et les présenter au Congrès.

Il faut soumettre les applications par les Associations nationales en donnant:

1. Nom et adresse de l'Association Nationale.
2. Nom de l'homme proposé comme juge international.
3. Expérience, ci-inclus l'expérience pratique et technique du candidat dans le tir à l'arc, de même que dans les autres sports.
4. Expérience dans les Championnats du Monde.
5. Langues parlées.
6. Toutes les autres informations qui puissent aider le Congrès dans telles applications.

Les candidats doivent assister au Championnat du Monde prêts à être interviewés. Le Congrès jugera les applications et peut les refuser sans en donner la raison.

Devoirs de Juges Internationaux. Le comité d'organisation et les chefs d'équipes, s'ils assistent aux Championnats du Monde, doivent les choisir pour la commission technique.

Tournois Internationaux. Suivant une demande des Associations, le comité pour les juges internationaux soumettra ses avis sur les juges pour un événement international. On recommande fortement que au moins un juge doit assister.

Jeux Olympiques. F.I.T.A. doit recommander des juges sur la liste seulement pour les jeux olympiques où on inclut le tir à l'arc.

2. REGLES D'AMATEUR.

Le comité RECOMMANDE QUE: On doit accepter les avis de la présidente tels comme ils sont.

Pour information sur ce sujet, la nouvelle règle olympique d'amateur, adoptée en 1962, dit maintenant:

Article 26. An amateur is one who participates and always has participated in sport as an avocation without material gain of any kind.

He does not qualify:

- (a) If he has not a basic occupation designed to ensure his present and future livelihood;
- (b) If he receives or has received remuneration for participation in sport;
- (c) If he does not comply with the Rules of the International Federation concerned, and the official interpretation of this Rule Number 26.

This is followed by four pages of Official Interpretation of this Rule Number 26. The booklet is available through all National Olympic Associations.

3. TOLERANCE of MEASUREMENTS of TARGET FACES.

The Committee RECOMMENDS THAT:

The President's proposal is desirable.

No. 2

References:

1963 F.I.T.A. Congress MOTIONS 7a, b, c.

Subjects:

1. MAXIMUM TIME PER END.
2. CHAMPIONSHIP GROUNDS.
3. TWO ARCHERS SHOOT TOGETHER IF FOUR ON EACH TARGET.

1. MAXIMUM TIME PER END MOTION 7a

The Committee's Recommendation on this subject was accepted at the last Congress (Oslo 1961. Minutes XI e). The Committee is still of the same opinion and cannot therefore make a new Recommendation.

It should be pointed out that any Member Association is, of course, free to include what they wish in their own National Rules.

2. CHAMPIONSHIP GROUNDS MOTION 7b

The Committee agrees this would be desirable, but some countries do not have fields available for sport. Also in the Olympic Games it is most likely that only an arena would be available.

This could be considered, when applications for holding the Championships are tabled at Congress, where both place and dates have to be accepted.

The Committee RECOMMENDS THAT:

No change be made to Article 319(a), but where there is a choice a field is preferable.

3. TWO ARCHERS SHOOT TOGETHER IF FOUR ON EACH TARGET MOTION 7c

This subject has been put to Congress before. It is a major disadvantage from the spectator point of view and also a disadvantage to some archers not to be able to stand and to shoot as and when they wish.

The Committee therefore RECOMMENDS THAT:

The World Championships and Olympic Games should continue to be exempted from two archers shooting together, even if it is necessary to allocate four archers to each target.

The Committee considers it would be more desirable, if necessary, to restrict the number of entries from each Member Association.

REPORT OF THE TECHNICAL COMMISSION

At the Team Captains' Meeting on 23rd July, 1963, the Chairman of the Technical Commission, Mr. Sven Ingves, was introduced. Dr. Wotton, Great Britain and Mr. Kjell Bengtsson, Sweden, were appointed as the two other members of the Commission.

At 6.30 p.m., we inspected the Tournament Ground. We measured all the distances and found these correct in accordance with the F.I.T.A. Regulations. The stands, buttresses and target faces were examined and were found to be in order. The centres of the Golds were the correct height from the ground.

Before shooting commenced each day, the equipment of the competitors was examined. One of the competitors was found to have a Waterpass attached to the bow. The Team Captain was informed that there might be objections to this and the competitor voluntarily removed it. It is our opinion that such an attachment should not be allowed under the F.I.T.A. Regulations.

We found that the conduct of the shooting and of the scoring was in accordance with the Regulations and carried out to our satisfaction.

Article 26 Un amateur est celui qui s'adonne et s'est toujours adonné à la pratique du sport par goût et par diversion sans en tirer aucun profit matériel quel qu'il soit.

Il ne peut se prévaloir de cette qualification:

- (a) s'il n'a pas une situation de base de nature à assurer son existence présente et future;
- (b) s'il reçoit ou a reçu une rémunération pour sa participation au sport;
- (c) s'il n'observe pas les règles de la Fédération Internationale du sport qu'il pratique et les dispositions du règlement d'application du présent article 26.

On suit ceci avec quatre pages de l'interprétation officielle de cette règle Nu. 26. On peut obtenir ce livre par toutes les Associations nationales olympiques.

3. TOLERANCE DE LA MESURE DES CIBLES. Le Comité RECOMMANDE QUE:

La proposition de la Présidente est avantageuse.

No. 2

References:

1963. Congrès de F.I.T.A. Motions 7a,b,c.

Sujets:

1. TEMPS MAXIMUM POUR CHAQUE VOLEE.
2. CHAMPS POUR LES CHAMPIONNATS.
3. DEUX ARCHERS TIRONT ENSEMBLE S'IL Y A QUATRE POUR CHAQUE CIBLE.

1. TEMPS MAXIMUM POUR CHAQUE VOLEE. MOTION 7a.

La recommandation du Comité fut acceptée sur ce sujet au dernier Congrès (Oslo 1961. Minute XIe). Le Comité est toujours du même avis, et ainsi ne peut-il pas faire une autre recommandation.

On devrait faire remarquer que l'Association est libre d'inclure ce qu'elle voudrait dans ses propres règles nationales.

2. CHAMPS POUR LES CHAMPIONNATS. MOTION 7b.

Le Comité est d'accord que ceci serait avantageux, mais quelques pays n'ont pas des champs disponibles pour les sports. Aussi, dans les jeux olympiques il est bien probable qu'il y aura seulement une arène.

On pourrait bien considérer ceci, quand les applications pour tenir le Championnat sont proposées au Congrès, ou le lieu et la date doivent être acceptés.

Le Comité RECOMMANDE QUE:

On ne fait aucun changement dans l'Article 319(a), mais là où il y a un champ est préféré.

3. DEUX ARCHERS TIRONT ENSEMBLE S'IL Y A QUATRE POUR CHAQUE CIBLE. MOTION 7c.

Ce sujet a été présenté auparavant au Congrès. C'est un désavantage majeur du point de vue du spectateur, et aussi du point de vue de quelques archers s'ils ne peuvent pas se tenir et tirer ni comme ils voudraient ni quand ils voudraient.

Ainsi, le Comité RECOMMANDE QUE:

Même s'il est nécessaire d'avoir quatre archers à chaque cible, on devrait continuer à dispenser deux archers de tirer ensemble dans le Championnat du Monde et dans les Jeux Olympiques.

Le Comité considère qu'il serait plus avantageux, s'il fut nécessaire, de réduire le nombre d'entrées de chaque Association.

RAPPORT DE LA COMMISSION TECHNIQUE

A la séance des chefs le 23 juillet, 1963, le Président de la Commission Technique fut présenté. On élut Dr. Wotton de la Grande-Bretagne, et Mr. Kjell Bengtsson de la Suède comme les deux autres membres de la commission.

A 6-30 hrs. de l'après-midi, nous examinons le Champ de Tournoi. On mesura toutes les distances, et les trouva exactes selon les règles de F.I.T.A. On examina les étalages, les contre-boutants et les cibles, et ils étaient tous en ordre. Les centres des Ors étaient à l'hauteur exacte de la terre.

Avant de commencer chaque jour, on examina l'équipage des concurrents. On trouva qu'un des concurrents avait attaché un Waterpass à son arc. On informa le chef de l'équipe qu'il y eût des objections à ceci, et le concurrent l'enleva volontiers. A notre avis on ne devrait pas supporter telle chose dans les règles de F.I.T.A.

On vit que la conduite du tir, et de la marque des points étaient d'accord avec les règles, et nous en étions satisfaits.

Helsinki, le 27 juillet, 1963.

Avery Brundage

President, International Olympic Committee, 1952 -

Avery Brundage was born on September 28, 1887 and was elected fifth President of the International Olympic Committee at its meeting in Helsinki in 1952. No one could have been better prepared for this most responsible position as head of the world wide Olympic Movement. For twenty years he had been working closely, first with President Count Baillet-Latour, and afterwards with President Edström. Before that, for more than twenty years, he had occupied a prominent position in amateur sport first as competitor and later as administrator. He had travelled widely in Europe, Africa, North and South America, and the Orient, and was thoroughly familiar with the problems of amateur sport and the Olympic Movement in nearly all countries.

Mr. Brundage's athletic career began in 1905 when as a high school athlete he was heralded as "the find of the season." At the University of Illinois, from which he graduated in 1909, he was inter-collegiate discus champion, member of the basketball team, and winner of a special medal for athletic achievement.

It is interesting to note that his collegiate interests were not confined to sport. Because of his high scholarship rating he was elected to the honour societies of Tau Beta Pi and Sigma Xi. He was also editor of the college magazine.

After graduation from the university, Mr. Brundage entered all-round athletics and for 10 years, until 1918, when he won his last national championship, was one of the leading all-round athletes of the world. As a member of the 1912 United States Olympic team he competed in the Games of the Vth Olympiad at Stockholm. Three times he was all-round Amateur Champion of America. The all-round championship is probably the most difficult test of speed, stamina, strength, agility and endurance combined, ever devised.

It should be noted that while Mr. Brundage was making this enviable record as a competitor he, as an engineer, was also engaged in establishing his own successful construction business. His practice and training had to be done outside of working hours and had his energies not been divided perhaps his athletic record might have been even better.

After retiring from all-round competition he became interested in the administrative side of amateur sport. In 1928 he was elected President of the Amateur Athletic Union of the United States, an office to which he was re-elected for seven terms. He would probably have been continued in office even longer had he not refused renomination. During this period he was one of the leading handball players of the United States and at one time Chicago champion.

In 1929 he was chosen President of the United States Olympic Association and Chairman of the United States Olympic Committee. Six times he was unanimously re-elected for a four year term by the one hundred and twenty organisations regulating amateur sport in the United States, which compose this Association. In 1934 he was awarded a special James E. Sullivan trophy for outstanding service to amateur sport.

In Buenos Aires in 1940 he was unanimously elected first President of the Comité Deportivo Panamericano by the delegates from the countries of the Western Hemisphere at a Congress called to organise Pan American Games. The rules of this organisation were changed in London at the second congress in 1948 so that he could be re-elected unanimously for another term.

He was well acquainted with all the different sports on the Olympic programme. For a score or more years he served as Vice-President of the Congress and on the council of the International Amateur Athletic Federation, the powerful organisation which controls track and field athletics, and he had also taken an active part as officer and director in several other International Federations.

When Mr. Brundage became a member of the International Olympic Committee he was elected to the Executive Board and in 1946 he was elected Vice-President. He is known not only in the United States but also throughout the world as the apostle of amateurism and one of the world's leading exponents of fair play and good sportsmanship.

Avery Brundage, né le 28 septembre 1887, a été élu cinquième président du Comité International Olympique, lors de sa session à Helsinki, en 1952. Personne n'aurait pu être mieux préparé que lui à cette haute fonction chargée de responsabilités, à la tête du mouvement olympique mondial. Pendant vingt ans il avait collaboré étroitement, d'abord avec le président, le Comte de Baillet-Latour, puis avec le président Edström. Auparavant, pendant plus de vingt ans, il avait occupé une situation de haut rang dans le sport amateur, au début, comme concurrent, plus tard comme administrateur. Il avait amplement voyagé en Europe, en Afrique, en Amérique du Nord, en Amérique du Sud, et en Orient et était parfaitement familiarisé avec les problèmes du sport amateur et du mouvement olympique dans la plupart des pays du monde.

La carrière d'athlète de M. Brundage débuta en 1905 quand, athlète d'école supérieure, il fut proclamé "la révélation de la Saison". A l'Université d'Illinois, où il prit ses degrés en 1909, il fut champion inter-universitaire de disque, membre de l'équipe de basket-ball et lauréat d'une médaille spéciale pour exploits athlétiques.

Il est intéressant de noter que le sport n'occupait pas seul ses intérêts d'étudiant. Ses hautes moyennes universitaires et son érudition lui valurent l'honneur d'être élu membre des sociétés Tau Beta Pi et Sigma Xi. Il fut aussi éditeur de la revue de son Université.

Après avoir obtenu ses diplômes universitaires, M. Brundage aborda l'athlétisme complet (all-round athletics) et, pendant 10 ans, jusqu'en 1918, date à laquelle il remporta son dernier championnat national, il fut un des premiers athlètes amateurs 'all-round' du monde. Comme membre de l'équipe olympique des Etats-Unis de 1912, il concourut aux Jeux de la Ve Olympiade à Stockholm. Trois fois, il fut champion d'Amérique du 'all-round' amateur. Le championnat d' 'all-round' est probablement l'épreuve combinée de vitesse, vigueur, force, agilité, endurance la plus difficile qui ait jamais été inventée.

Remarquons que, tout en remportant ces enviables records comme concurrent, M. Brundage édifiait avec succès en tant qu'ingénieur sa propre entreprise de construction. Ses exercices et son entraînement devaient être pratiqués en dehors de ses heures de travail et, si son énergie n'avait été ainsi partagée, peut-être sa carrière d'athlète eût-elle été encore plus brillante.

Quand il cessa de participer aux concours d' 'all-round', il dirigea son intérêt sur les questions administratives du sport amateur. En 1928, il fut élu président de l' Amateur Athletic Union des Etats-Unis, fonction à laquelle il fut réélu pendant la durée de sept mandats. Sans doute aurait-il continué plus longtemps encore à occuper cette charge, s'il n'avait refusé de se laisser renommer. Pendant cette période, il fut un des premiers joueurs de handball des Etats-Unis et une fois même, champion de Chicago.

En 1929, il fut choisi comme président de l'Association Olympique des Etats-Unis et comme président du Comité Olympique des Etats-Unis. Six fois, il fut réélu, pour un mandat de quatre ans, par les cent vingt organisations composant cette Association et qui dirigent le sport amateur aux Etats-Unis. En 1934, il se vit décerner le trophée spécial James E. Sullivan 'pour services exceptionnels rendus au sport amateur.'

A Buenos-Aires, en 1940, il fut élu à l'unanimité premier président du Comité Deportivo Panamericano par les délégués de l'hémisphère occidentale, à un congrès convoqué en vue d'organiser les Jeux panaméricains. Les règles de cette organisation ayant été modifiées lors de son deuxième congrès à Londres, en 1948, il put être réélu à l'unanimité pour un nouveau mandat. Il connaissait bien tout les différents sports figurant au programme olympique. Pendant la durée d'un mandat, et après encore, il fonctionna en qualité de vice-président du Congrès et siégea au Conseil de la Fédération Internationale d'Athlétisme Amateur, cette puissante organisation qui contrôle toutes les disciplines de l'athlétisme léger; il a aussi joué un rôle actif comme officiel ou comme directeur dans maintes autres Fédérations Internationales.

Quand M. Brundage devint membre du Comité International Olympique, il fut élu à la Commission Exécutive et, en 1946, nommé vice-président. Non seulement aux Etats-Unis, mais dans cinquante autres pays, il est connu comme l'apôtre du sport amateur et comme l'un des premiers défenseurs dans le monde, du fair play et du bon esprit sportif.

He is the author of numerous articles on amateur sport. He has what has been called the finest and most comprehensive private collection of Asiatic art in the world. This collection has been given to the City of San Francisco, which is building a new wing on its Museum to house it. He is a Trustee of the Art Institute of Chicago. Because of his activities in the field of sport and physical education, Mr. Brundage has been the recipient of honorary college degrees and of awards and decorations from many countries.

The F.I.T.A. Fanfare

The Fanfare was first played at the World Championships in Prague, 1957 and has been used at all subsequent championships.

Mr. Bastar has now generously given permission for his Fanfare to be played at National Championships and International Tournaments throughout the world, and is donating all profits to F.I.T.A. funds.

The melody (repeated several times), has been recorded on magnetic tape at the standard speed of 3 $\frac{3}{4}$ feet per minute, and is available to Member Associations only at the price of:

£2 (Two Pounds Sterling)

including postage by surface mail

Composed by

Mr. JIŘÍ BAŠTÁŘ

Czechoslovakia

Vice-President of F.I.T.A.

ALL ORDERS TO BE ACCOMPANIED BY THE REMITTANCE, MAY BE SENT TO THE TREASURER, MR. D. M. THOMSON, 46 THE BALK, WALTON, WAKEFIELD, YORKSHIRE, ENGLAND.
