

Number of archers in our federation changed. How to update membership in extranet?

Address	Contacts	Governance	Officials and Staff	Admin Users	Membership	Logs
Number of archers within the federation calculated based on that. It is also required at least once nt by national sports governing body such as ministry or Olympic Committee confirming this number					1500 highest number in past calendar year (2022)	Total: 12000 / 2024 2024-11-25 16:51:39 ✓ ✗ 🗑
Female: 0						Female: 4000 / 2024 2024-11-25 16:51:39 ✓ ✗ 🗑
Male: 0						Male: 8000 / 2024 2024-11-25 16:51:39 ✓ ✗ 🗑

1. Go to Admin> Member Associations>select your federation>Membership>Number of archers within the federation

2. Click on pencil icon to change the number

Since 2024, we request MA to report the breakdown of archers associated to the federation by gender

One of the criteria to calculate World Archery membership fee is the number of archers. If there is an important change, World Archery requires to provide a document by national sports governing body or National Olympic Committee confirming this number.
