

How to upload a photo in World Archery's website? world archery

- President and secretary general's portraits are uploaded in the [extranet](#) by World Archery staff and are also displayed in [World Archery's website](#)

- Athlete's photos or other staff can only be generated for the first time or changed **only at international events** upon request at the accreditation booth

This is mandatory as there is a very specific format for the picture

President and SG

Uploaded by World Archery staff

Athletes and other staff

Taken at the accreditation booth

Archery Federation is a World Archery's member association in Republic
The organisation was founded in 1993 and affiliated to World Archery in 1982.
