<p>7. Reason(s):</p>	<p>In Sweden, and we guess many european associations, all attending archer pay everything them self, for travel, hotel, and fees. We mix all ages and classes on a event, all level, elite and beginners. Then its a bad idea to have a rule that spoil the full day/weekend for broken string or arrow rest. We can not have it like this. If the rule stand as today Sweden will take out all our events from the calendar for rounds who could give records, such as in and outdoor.</p>
<p>EDIT BY WORLD ARCHERY OFFICE AFTER EXECUTIVE BOARD MEETING</p>	<p>Text of approved bylaw change:</p> <p>12.2.3 In the event (during the qualification round) of an equipment failure, verified by a Judge, or a medical issue, verified by medical personnel, extra time may be given to make the necessary repairs, change the damaged equipment or for medical personnel to determine the problem and decide whether or not the athlete is fit to continue competing unassisted. However the maximum time or number of ends for make-up arrows to be shot is 15 minutes (following regular order of shooting and timing), or two ends of six arrows outdoors and three ends of three arrows indoors, whichever happens first. The athlete shall make up the appropriate number of arrows at the earliest opportunity under the supervision of a Judge.</p> <p>No extra time shall be allowed for equipment failure or the treatment of medical problems, but the athlete concerned may leave the shooting line to resolve the issue and return to shoot any remaining arrow(s) if the time limit permits.</p>
